Mr. Tooker, representing the W. V. Park Company was then granted the floor and stated that he had received a letter from the Borough Solicitor informing him that the Park license fee would be \$3000.00 and that he thought ~~that~~ amount rather high, considering the other taxes the Park paid and asked Council to kindly consider the matter before passing such a resolution.

Mr. Jones and several other Councilmen stated that the Borough residents suffered considerable inconvenience on account of the crowded condition of the cars during the park season.

Chairman Jones then asked if there were any other citizens in the audience with petitions for Council or complaints to make.

Mr. Wright of Carlisle Avenue stated that the condition of the cesspools in their neighborhood was bad and said that all the residents were anxious for Council to construct a sewer on Carlisle Avenue which would eliminate all cesspools in the neighborhood.

Richardson, Dickson,- That the Streets & Sewers Committee look over the ground and report to Council on the advisability of constructing a sewer on Carlisle Avenue and that the Board of Health attend to the cesspools. carried.

Messrs. Smith, Seville and Gunnerman from Frankfort Avenue asked Council to do all in their power to open Center Avenue from Park Avenue to Frankfort Avenue stating that without such opening the Frankfort Avenue property was inaccessible.

These men also asked that Council try to get the Frankfort Ave. car stop back again and Mr. Dickson moved, Dyck seconded, - That the Public Utilities Committee take up this matter with the Railways Co. c

Mr. Martsolf, Mr. Schultz and Mr. C. F. Moore, all of Fairview Avenue stated they were in favor of the Frankfort Avenue residents getting an outlet but stated they believed an outlet down Park Ave. to Tomoka Street and then west on Frankfort would be a better and cheaper outlet than that secured by opening the Right-of-Way or Center Avenue. Mr. Blum stated that the Park Avenue route was not practical on account of the grades.

Messrs. Martsolf and Moore then stated they would expect Council to build a six foot retaining wall at the Center Avenue end of their property before they would agree to giving up the land necessary for a Street on Center Avenue.

A letter from Blum, Weldin Co., was read showing an estimate of 6500 cu. yds. for necessary grading on Center Avenue between Park and Frankfort Avenue.

Chairman Jones advised the various citizens appearing before Council that their propositions would be taken care of in the regular order of business.
