Meeting called and adjourned in honor of Willaim Andrew Quigley, Chief of Police. Minutes of special meeting were approved by motion of Messrs. Hendler and Hill.

After the Chairman had stated that Council would hear from any delegations of citizens or any persons having petitions to present Mr. Kappauf asked Council what the residents of Ridgewood and Martsolf Avenues might expect in the way of relief from the annoyance and inconvenience caused by the deplorable condition of the paving on said streets. Stating that the continuous patching was almost useless. The Chairman advised Mr. Kappauf that Council had been seriously considering plans for the improvement of the two streets in some way but so far had come to no definite decision; that no doubt provision would be made in the 1928 budget for some sort of permanent improvement.

Mr. William Johnson of Park Avenue presented a petition, signed by more than 50 residents of the Borough protesting against the proposed relocation of Perrysville Road between Park Avenue and the City Line.
