Hunt, Dunn,- That debate be limited to on half hour for each side. carried. Messrs. W. J. Johnson, Leach, Heil and Galbraith spoke in favor of the old location and Messrs. Shoup, Mikalonis, Seig, Meyers, Bauer and Roberts spoke in favor of the new State re-location of the road.

Dunn, Hunt,- That Burgess's veto of Resolution #181 be read. c.

"The re-location of the Perry Highway as proposed in this Ordinance will do at least \$50,000.00 worth of damage to West View property holders; will remove forever the possibility of a Blind Station entrance to West View.

You have made no provision for payment of the \$10,000.00 damages this road will cost and it may cost much more than that.

We are certainly not justified in going to the expense of paving Center Avenue as proposed in your new Bond Issue and ending it on an 18 foot alley through territory over which you have no control.

It is the worst piece of sectional legislation passed during my term as Burgess.

(signed) D. A. Atkinson, Burgess."

President of Council.

West View, Pa. October 24th, 1929.

Minutes of special meeting of Council held on above date. All members of Council present. Solicitor and Engineer present. Burgess absent.

Chairman Dickson announced purpose of meeting to be further consideration of Paving Investigation Committee's report, and consideration of resolution accepting Wellington Heights plan.

Chairman read Solicitor's letter to Commercial Casualty Company, notifying Company of proceedings and allegations of defects in Ross Construction Company's work; also the Solicitor's letter re legality of bids for Center Avenue.

Chairman also read report of the Engineer answering some of Paving Committee's statements, and re-read Committee's report.

Mr. Ray Warren, former State Superintendent of Township Roads was asked by Solicitor what the State Highway procedure was when tests showed concrete to be less than specified thickness. Mr. Warren stated that a leeway of $\frac{1}{4}$ " was allowed without penalty. That deductions were made when concrete was $\frac{1}{2}$ " less than specifications required and that where the concrete was over $\frac{1}{2}$ " short the paving was destroyed and replaced for a distance of 50' on each side of test hole; that at a distance of 50' another test would be made, but that the State retained no maintenance percentage of work.

Mr. Dunn stated that he did not believe Contractor should be permitted to change batches without approval of Engineer.

Mr. McCune stated that Committee investigation showed that Inspector for the Borough had not been instructed to inquire into quality of materials and that the Engineer had trouble in getting the Contractor to do certain necessary work and that the Inspection furnished had not been rigid.

Mr. Findly of the Ross Construction Company stated that the results of the Committee tests were public property shortly after test cores had been removed so he, for his Company's satisfaction, had ordered test cores taken and that he agreed with the Engineer that Mr. McKown had condemned a portion of paving on Bronx Avenue near Committee's #6 core.

Mr. Bliss of the Keystone Sand Company stated that the sand and gravel furnished for the West View work was a part of one million tons furnished in 1929. That his Company had furnished materials for Dead Man's Dam, Ohio River Boulevard, etc.; also one hundred cars of material for State Highway work.

After a conference between Council, the Contractor and the Attorney for the Commercial Casualty Company, Bond Company for the Ross Construction Company, Hunt moved, Thompson seconded, - That the Engineer be instructed to drill paving on Bronx, Center and Frankfort Avenues wherever he deems it necessary and to make any tests necessary to determine condition and depth of paving and report back to Council with recommendation as soon as possible.

Solicitor stated that Mr. Scholze having failed to present agreement re sewers on Wellington Heights plan, Council should not pass resolution approving said plan.

Hunt moved, Hendler seconded, - That Council adjourn.
