President of Council.

West View, Pa., May 25, 1933.

Minutes of special meeting of the West View Borough Council held on above date. All members of Council present except Mr. Dunn. Solicitor present. Burgess and Engineer absent.

Chairman Reed read the call for the meeting, stating the purpose to be the consideration of the 1933 tax levy ordinance and 1933 appropriations resolution; also consideration of the Streets and Sewers Committee report.

Mr. V. H. Walters, Tax Collector asked Council to consider a plan he proposed to expedite the collection of taxes and conform as near as possible to requirements laid down by the surety companies. Mr. Walter stated that all surety companies were demanding the collection or lien of 90% of 1932 duplicate before furnishing a bond for 1933 taxes, that they required daily returns to the Treasurer and a monthly report to the bonding company. Mr. Walter asked Council to permit him to deposit in the Mellon National Bank, in a West View Borough account, daily during the heavy payment months and weekly during the balance of the year; the Borough Treasurer, only, to have right of withdrawal from account. He also requested permission to supply a bond for a less amount than the full duplicate.

After some discussion, Chairman requested Tax Collector to advise the Finance Committee, before the June meeting, just what the bonded companies would accept and what savings there would be on the premium for a smaller bond than the total of the 1933 duplicate.

Hunt, Thompson,- That Council make tax levy for 1933 $12\frac{1}{2}$ mills, taking out the delinquent bills item in the appropriations resolution and including whatever amount a $12\frac{1}{2}$ mill levy would allow in said appropriation in the extra Sinking Fund appropriation making the extra Sinking Fund appropriation \$13,561.60. carried.

Hunt, Baker,- That Ordinance #690 providing for 1933 tax at $12\frac{1}{2}$ mills be read. carried.

Hunt, Baker,- That Ord. 690 pass first reading and be taken up for second reading. carried.

Hunt, Baker,- That Ord. 690 pass second reading. carried.

Hunt, Hendler,- That rules be suspended and Ord. 690 taken up for final reading. carried.

Hunt, Baker,- That Ord. 690 pass final reading. carried unanimously, all members of Council present voting yes.

Hendler, Baker,- That Council go back to regular order of business and consider Resol. #230 providing for appropriations for 1933. carried.

Hunt, Baker,- That Resol. #230 be adopted as read. carried unan.

Chairman Hunt of the Streets and Sewers Committee submitted various recommendations from the Committee. Report was discussed but no definite action taken.

Baker, Hunt, That Council adjourn. carried.

McCune, Hendler,- That Mr. Melvin Richey's oral complaint re automobiles backing and turning at the corner of Center and Bellevue Avenues be referred to the Public Safety Committee. carried.

Mr. V. H. Walter, Tax Collector submitted a letter re the collection of 1933 borough taxes.

McCune, Hendler,- That Council accept the Tax Collector's offer to furnish a \$30,000.00 surety bond for the 1933 taxes. carried.

Hunt, Baker,- That the Solicitor prepare a resolution or ordinance providing for the payment of taxes for the year 1933 at the regular discount as in former years and for payment in installments as follows: 5% discount on first installment of 50% of tax if paid during July and August; second installment at face being 25% of tax assessed during the month of October and the balance or final 25% at face during the month of December, 1933. carried.

The Engineer submitted a report on Bronx Avenue paving. Mr. McCune wanted to know why the original contract bond had been replaced by a "patching bond" stating that someone should be surcharged so that the Borough might be reimbursed for the money not received or to be received for the paving of the street.

The Solicitor, after examining the bond said it was not a Patching bond but a five year maintenance bond and had been accepted by the Borough Council, that there might be a question of further responsibility by the bond company if the Engineer's recommendation was carried out and the bond company or the contractor called upon to do any certain work at the present time.

McCune, Baker,- That the Engineer's report on Bronx Avenue be referred to the Streets & Sewers Committee, then filed. carried.

McCune, Hendler,- That Attorney Johnston's letter of 5-23-33 be filed and bills by attorneys in said case be paid. carried.
