 Veto
 Resolution #537

Motion by Mr. Ford, seconded by Mr. Hurley, that the following letter of Veto received from the Burgess be received and spread upon the minutes of this meeting.

"January 8, 1951

Honorable Members of
 The Town Council of
 The Borough of West View,
 West View, Pittsburgh 29, Pa.
 Gentlemen:

I am returning herewith, unsigned by me, Resolution No. 537, which would continue Rent Control in The Borough of West View. The following is my veto message:

After making a thorough investigation as to the availability of rental properties, my findings are:

First: A strictly modern four room apartment with garage, on the street carline at Center Avenue and Norwich, renting under the Rent Control Board for \$84.50 per month, stood vacant for two months, after which it was rented at a much less price than set up by the Rent Control Board, and then only after concessions were made, such as furnishing paints, new floor covering in the kitchen and other considerations.

Second: A modern four room apartment on Cornell Avenue was rented during that time for \$60.00 per month.

In discussing the matter with the various real estate operators, I find they are all in accord: that an emergency does not exist and that there is a choice of rentals at this time. I am told the same condition exists in the surrounding communities. For example, the Perry Highland Apartments have a great turnover. I am also told that apartments in the City of Pittsburgh, on Fifth Avenue, which were set up under Rent Control Board at a rental of \$250.00 per month, are going begging at \$150 to \$175 per month. New modern apartments on Lincoln Avenue in Bellevue have been displaying vacancy signs for months.

In as much as the Federal Government has extended rent control until March 31, 1951, I do not feel that it is necessary for The Borough of West View to adopt a resolution pertaining to Rent Control, and thereby endorsing keeping people on the Federal payroll who are badly needed in essential industry.

Very truly yours,
 Signed Walter J. Baker,
 Burgess,
 THE BOROUGH OF WEST VIEW."

July 30, 1951

Minutes of a Special Meeting of The Town Council of The Borough of West View held Monday Evening, July 30, 1951, in the Council Chamber at the Municipal Building.

In the absence of the President of Council, Lewis L. Herrington, the Meeting was called to order at 8:10 by the Secretary.

Roll Call Was answered by the following Members of Council: Messrs Ford, Kallenbach, Kress, Stroje and Winter. The Burgess, Solicitor, Manager and Secretary Were Present.

Pres Pro-Tem Motion by Mr. Stroje, seconded by Mr. Kallenbach, that due to the absence of the President of Councilman, that Councilman R. G. Ford be appointed Chairman Pro-Tem for this meeting.
Carried and so ordered.
Mr. Ford took the Chair.

Call Letter The Special Meeting was called for the purpose of discussing and taking action on the petition of McCandless Township to permit the Brown & Vaughn Plan to enter the Girtys Run Sewer.

The following report was submitted by the Borough Manager:

REPORT ON GIRTYS RUN WATER-SHED:

Total Area of Girtys Run Water Shed	7900 Acres
Area of Girtys Run Watershed in McCandless Township	620 Acres
Area in Brown & Vaughn Development under present Court Petition	78 Acres
Population of Brown & Vaughn Plan - 225 houses x $4\frac{1}{2}$	1000 people
Population now contributing to Girtys Run (Approximately)	27700 "
Percentage Increase, population wise, of Brown & Vaughn Plan ...	3.61 %
Value of Trunk Line Sewer, Present Day Prices L & D Report	\$553,200.
Amount Brown & Vaughn should pay, per Logan & Daughtery Report .	\$ 7,817.

Of 620 Acres in McCandless Township on watershed, assume 465 Acres Buildable.

If this area is improved with the same population density as present, Brogh and Vaughn Plan, total population addition to Girtys Run might be 5900 people

5900 people represents a contributing population increase of .. 21.3%

The Girtys Run Sewer is now surcharged when it storms. Consequently it cannot accept more sewage volume without increased capacity or compensatory reduction of storm water.

If the Court grants the petition for the entry of Brown & Vaughn Plan on the grounds it is situated on the watershed, the remaining 542 Acres might follow on the same legal grounds.

Signed Bernard L. Marsh."

The Manager is directed to supply the following to each Councilman:

1. A plan of the original sewer is to be placed in the office where it will be available to each Councilman and the Burgess.
2. A copy of the Permit issued by the Health Department authorizing the construction of the Girtys Run Sewer
3. A copy of the Engineers' data which was submitted to the State Department of Health to support the application for the Permit.
4. A copy of the Agreement

A study of the above will be made by each Councilman and the matter to be brought up again.

Adjourn ... Motion by Mr. Winter, seconded by Mr. Strojce, that Council adjourn.

West View Park The following letter was received from the West View Chamber of Commerce:

"August 8, 1951

West View Council

Boro Hall

Pittsburgh 29 Pa

Gentlemen:

The Chamber wishes to take this opportunity to request that you disallow the use of fireworks by the West View Park Company in future years beginning with the 1952 Park season. The Chamber Members have received many verbal complaints from our townspeople regarding their use. The matter was discussed at several of our meetings and the Chamber considered it important enough to bring to your attention.

The gist of the complaints is that the violent noises and concussions have caused severe sickness, principally nervous conditions to young children and older adults in the borough.

Perhaps one evening of fireworks on special occasions as July 4th and Decoration Day would be tolerable. However, it has been the Park Company's practice to continue the celebration for a week or so, and always at a very late hour in the evening. You can appreciate the effect on the young babies when they are wakened by the violent commotions and the effect on an ill or aged person.

Please give these matters your fervent attention. Your action in this cause will be greatly appreciated by all of your townspeople.

Very truly yours,
Signed Wm. L. Wunderly,
Secretary."

The letter is referred to the Police & Public Safety Committee and a letter is to be sent to the Chamber of Commerce advising them that some of the fireworks are set off in the section of West View park within the boundaries of Ross Township.
