After much discussion, Mr. Drummond is to endeavor to find out from the State where the line is, and if a sidewalk could be put in. This seems to be the only solution. A thin coat of asphalt will not do it.

With regard to the School Guard, the Chief and the Mayor will check with Ross Twp. as to the feasibility of sharing the cost of a School Guard.

- Mayor Love inquired about the tree at the corner of Wellington Drive and Highland Ave. Can it be removed?
- Mr. Hurley made a motion that the tree at this corner be removed for reasons of safety. Mr. Freese seconded the motion.

August 13, 1968

Carried and so ordered.

Highland Country Club will be contacted, but even though the tree is removed, the widening and paving will have to be done later. (like next year).

FIRE & WATER COMMITTEE - Mr. Setler, Chairman reported that the Fire Company has purchased a piece of property on Stanford Ave. There is a house on it which they rent. The property runs through to Center Ave. This is a part of their long range program.

PUBLIC RELATIONS COMMITTEE, AND RECREATION COMMITTEE - Mr. Derda, Chairman - Due to inability to get the Committee together no progress has been made.

Audience-David Hollein David Hollein, 276 Perrysville Ave. inquired about the street behind their property (Daytona). He would like it put in shape to make it useable. Council feels that there is not enough reason to open it for occasional use. It appears that this is something which would not benefit too many or too much. All the Borough would be doing would be getting into additional expense. This is not practical at this time.

Mrs. Michael Smith Rochester Rd. A School Guard will be placed at the intersection of Glenmore Ave. & Rochester Rd. between 7:30 and 8:30 AM when school resumes in September.

Unfinished business Mayor Love announced that West View Borough and Ross Twp. will share publicity at the Allegheny County Fair. The Vagabond Band of Butler will represent West View and Ross. Cost should be \$35.00 or \$40.00 at most.

Arbitration - Police In order to decide what can be done for the Police, Council has to do some preliminary work on our next year's Budget.

An informal meeting is scheduled for Tuesday night August 27th at 7:30 PM.

Building Project Building project meeting will be postponed, since Council feels it is not too pressing now.

Lt. Buchlmayer-one week vacation pay Motion by Mr. Drummond, seconded by Mr. Freese, that Lt. Buchlmayer be paid for his third week of his vacation. He has had two weeks.

New Business Ad-N.H. Boosters Motion by Mr. Hurley, seconded by Mr. Derda that we take a 1/2 page ad in the North Hills Boosters at a cost of \$40.00. Carried and so ordered.

1965

Pension Fund - State

Mr. Richey read a letter from the State stating the Borough has received a check in amount \$ 8,135.92 representing the Borough's allocation for the Police Pension Fund.

Carl Brandt, Solicitor, entered the meeting at this time.

Police Car Bids

Motion by Mr. Freese, seconded by Mr. Drummond that bids for the police car be opened. Carried and so ordered.

Solicitor
Resolution # 867

Motion by Mr. Freese, seconded by Mr. Setler that we take up Resolution # 867. Carried and so ordered.

RESOLUTION NO. 867

A RESOLUTION OF THE BOROUGH OF WEST VIEW AUTHORIZING THE ADVERTISEMENT FOR BIDS FOR THE LONG-TERM LEASING OF PREMISES OWNED BY THE BOROUGH OF WEST VIEW.

Discussion: The property would have to be rezoned.

Mr. Drummond suggests that a survey should be made to find out whether it is feasible to add such a load to our present sewer system.

Mr. Setler feels that consideration should be given to future plans for the Borough Building, as to where we will go. We might have a problem.

Motion by Mr. Hurley, seconded by Mr. Freese, that we approve Resolution #867 with certain necessary changes, and that we advertise for bids for the sale of the property in the North Hills News Record and the Allegheny Journal. Bids to be opened at the regular Council Meeting on Tuesday night, September 10, 1968.

The reasoning behind this action is that during his discussion Council gave consideration to the fact that with the wage tax on the residents and with the rent reserved, it is estimated that the Borough would reap additional revenue income of about \$35,000.00 per year.

Adjourn

Motion by Mr. Freese, seconded by Mr. Hurley, that the meeting adjourn. Adjourned at 10:15 P.M.

Audience
Robert Winter
19 Adrian Ave.

Mr. Winter inquired as to what the Borough has accomplished in securing signatures for the quit claims on Center Avenue. Mr. Drummond said that we have secured about 20% of these signatures, and that sending out another letter would not do much good. Mr. Richey remarked that we are doing everything we can about Center Ave. to the bridge, and that sooner or later this has to be taken care of and we haven't forgotten it.

Mr. Brandt, Solicitor will check the exact language of the old Bond Issue.

Roy Mellott
20 Westfield
Ave.

Concerned about the tax which the City of Pittsburgh is planning to place on those employed in the City. He would like responsible heads of our Borough to speak for him.

Mr. Richey informed him that we let it be known to our elected representatives how we feel and they in turn speak for us. The act has not been passed and Senator Fleming in Harrisburg has gone on record that it will not be passed this year. It still has to be passed by the Legislative body in Harrisburg.

It was suggested that Mr. Mellott write to Senator Fleming and also to Ray Wilt. He didn't seem to think that his one letter would mean much.

William Young
Owner - 336
Perry Hwy. Apt.

Complaining about the safety of an open storm sewer behind his apartment building on Perry Hwy. Mr. Young and Mr. Drummond will look into this situation and if we are at fault, we will try to correct it. If Mr. Young is at fault, it should be his responsibility.

Jeff Hartung
Daytona Ave.

Council definitely agreed that a survey is needed on the property which abuts Daytona Ave. where Mr. Hartung would like to build. After much discussion, Mr. Hartung declared that he will have the property surveyed and a drawing made up and he will present it at the next Council meeting. Council will try to work out the problem.

School Guards
