THE OLD

WE, THE 1939 WESTVIAN STAFF DEDICATE THIS, OUR FIRST YEAR BOOK, TO SCHOOL DIRECTORS WHO HAVE MADE POSSIBLE A GREAT SWING OF PROGRESS IN OUR SCHOOLS. IN NINETEEN TWENTY-FIVE; SEVEN DIRECTORS EXPANDED THE SCHOOL SYSTEM WITH A JUNIOR HIGH SCHOOL. THEY HAD HIGH HOPES OF A HIGH SCHOOL FLOURISHING FROM THIS BEGINNING.

THE NEW

NOW AT LAST FOURTEEN YEARS OF ANTICIPATION, THE DREAM OF THOSE SEVEN DIRECTORS HAS BECOME A REALITY. MUCH CREDIT IS DUE OUR PRESENT DIRECTORS WHO WERE ABLE TO COMPLETE THE GREAT SWING OF EDUCATIONAL EVENTS STARTED SO MANY YEARS AGO. WE ARE GRATEFUL TO THESE MEN; MAY THEIR EFFORTS ALWAYS BE REMEMBERED.

CALENDAR

September 6

"Heigh-ho! heigh-ho!" as back to school we go. Once more we are greeted by Miss Rohrman sitting at her desk ready for business.

September 8

Football practice is well under way—the team is saying, "I Double Dare You" to anyone willing to accept the dare.

September 10

The High School students have "Something To Sing About". The schoolboard had their regular meeting and accepted the plans for the new building.

September 16

The Indians start the football season with a game with Shaler; we were all saying "It Don't Make Sense" at the finish of the game.

October 14

All the teachers go to institute again and we have another vacation "Nice Work If You Can Get It" more often.

November 15

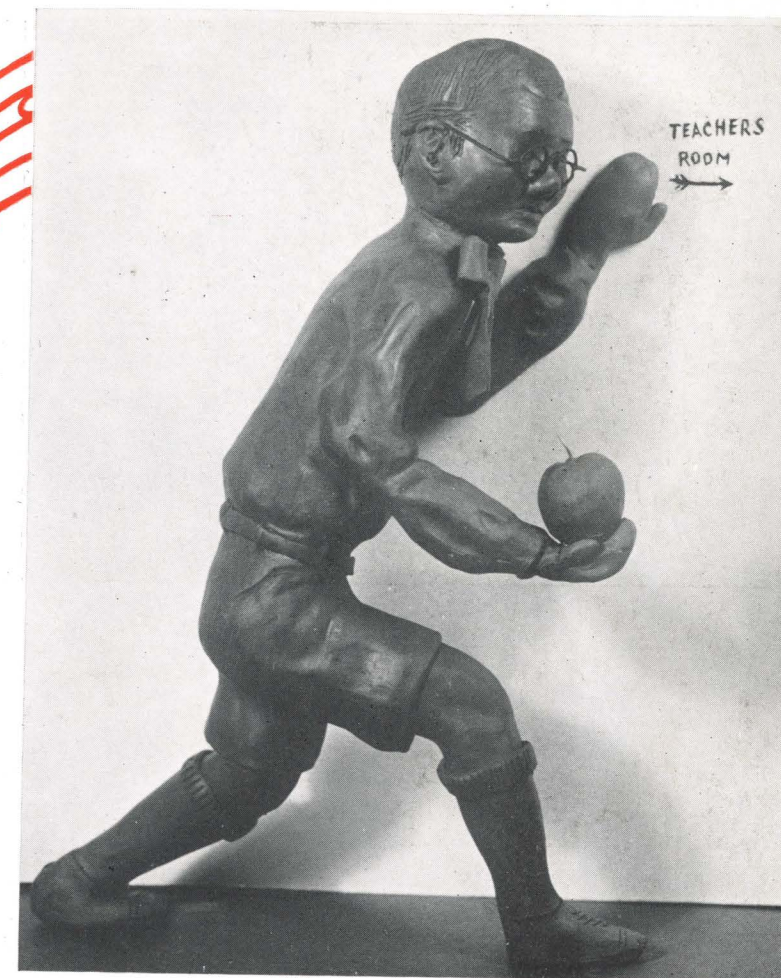

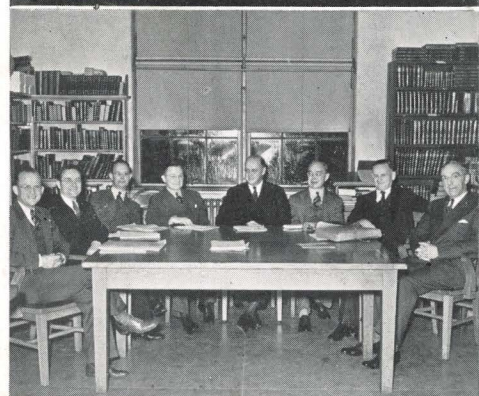

"Don't Frown Just Laugh and Clown" was the Seniors motto at their barn party in Murdock's barn.

November 17-18

There is nothing as "Sweet As a Song"; so "Ask the Professor" the high school operetta was a huge success.

November 21

West View wins over Elders Ridge and we all think "Nothing is Too Perfect For You."

CLASSES

The classes all got into swing
There wasn't an exception
They had an aim—their school to bring
An air of complete perfection.

CLASS HISTORY

We, the first graduating class of West View High School are now preparing to leave our Alma Mater. This approaching event creates in us a feeling of bewilderment combined with a certain importance which probably is quite similar to that with which we entered upon our high school career.

Our high school life began in 1935, when West View was still a Junior High School. From the very first day, however, the class began to build the foundation which has been so durable.

The coming of our Sophomore year reminded us that we had but one year to remain in West View, for at this time the borough was sending its students to high schools in the surrounding districts to finish their last two years of school.

Mystery prevailed in our class play "Tiger House" and brought several talented actors into the limelight. The dramatic operetta "Lela Wala" was an outstanding success.

On May 25, 1937, the Promotion Exercises of the tenth grade were held in the Junior High School auditorium. "The History and Foundation" of the West View School was the general theme chosen for all speeches. And so we prepared to leave West View.

However, in the late summer of 1937 we received a notice that we would continue our high school career in West View, for the borough was planning a high school.

In our Junior year we began to conquer the new fields of athletics, forensics, and dramatics. Our school grew rapidly, and consequently our curriculum and faculty were enlarged. It was during this year that we established our first debate club, which was highly honored by being admitted to the National Forensic League. This year also introduced

the first West View football team which, although late in starting practice, pulled through with three wins out of eight games played. Baseball and golf were added to the athletic program, and they too proved equally successful. At all the games and activities West View's newly organized band could be heard as they marched along in their crimson and gold uniforms.

This same year, 1937, our class organized for the first time, and elected Charles Wilson, president; Charles Wissner, vice-president; and Paul Dodson, treasurer. Naturally the most outstanding social event of the year was the Junior Prom at the Highland Country Club.

September 1938! We are Seniors! Our class now numbers one hundred and twenty. We feel the responsibility of setting an example for the under-classmen with no lack of confidence; we hold our enviable position under the sponsorship of Miss Daubenspeck and Mr. Metzger. Our debaters continue to uphold their splendid record; our teams again display that fighting spirit and good sportsmanship so characteristic of West View; and our many other activities find us at the top.

We have made this year one of hard work and activity. Our class officers were elected early in September, and those obtaining the honors were Lee Link, president; John Casciotti, vice-president; Florence Hamburg, secretary; and Harold Lutz, treasurer. These officers have worked hard throughout the year for our welfare and prosperity. Our yearbook staff was chosen in October, and work was started. Among the outstanding social successes of the year was the Westvian Dance and Card Party; The Senior Play, "Little Women"; Class Day; the Junior Prom; and finally the grand Senior Dinner Dance.

As the last of these happy years draws to a close, we leave to our Advisors and Faculty our appreciation for leadership, guidance, helpfulness, and friendliness. On the other hand, we take with us all the hope, ambition, courage, and spirit of fair-play which we have attained throughout our school life. So we look forward hopefully to success in our future undertakings. We don the Cap of Life.

Goodbye, West View High!

V

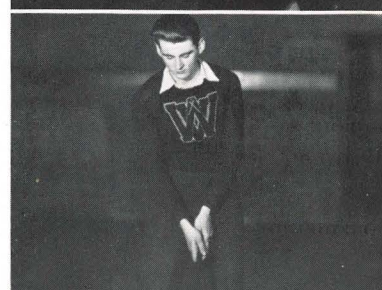

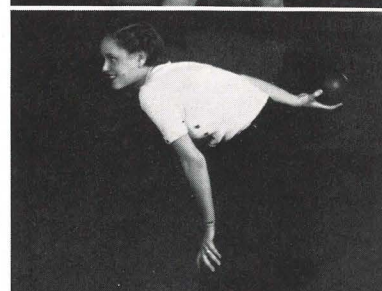

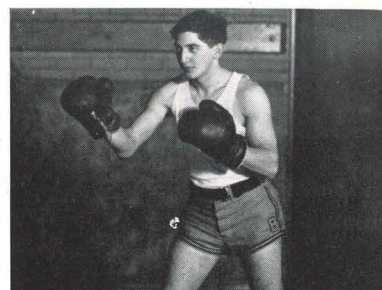

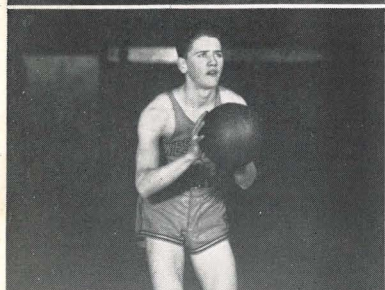

ATHLETIC INTRODUCTORY

For the numerous sports, different coaches are needed who are capable in their specific field. A lot depends on the coaches' methods and ways of training as the victories and defeats can be traced to the strategy they use.

The football, basketball, and baseball teams are coached by Mr. A. J. Hartman and Mr. J. A. Reed. They have always been successful with the basketball squad. Football and baseball have just been introduced into West View High School, and these same men have done equally as well in coaching them.

Golf, which was just started last year, had a successful season by ending in second place and owes its standing to the coaching ability of Miss Elizabeth Aiken and Mr. F. Cummings, who was replaced this year by Mr. N. V. Tiffany.

Mr. E. D. Kruse has taken on the responsibilities of turning out a track and tennis team and is getting them ready for the oncoming matches.

H

S

VARSITY CLUB

The Varsity Club, which was originated in 1937 at the suggestion of our two head coaches James Reed and Arthur Hartman, consists of boys that have obtained their letters through participation in the various school athletics.

In all four sports, baseball, golf, basketball, and football, the manner in which a player earns a letter and thereby receives the right to membership in the Varsity Club, is by participation in half the total number of contests.

The meetings are conducted by the following officers:

President, Lee Link;

Vice President, Charles Wissner

Secretary, Warren Benscoter

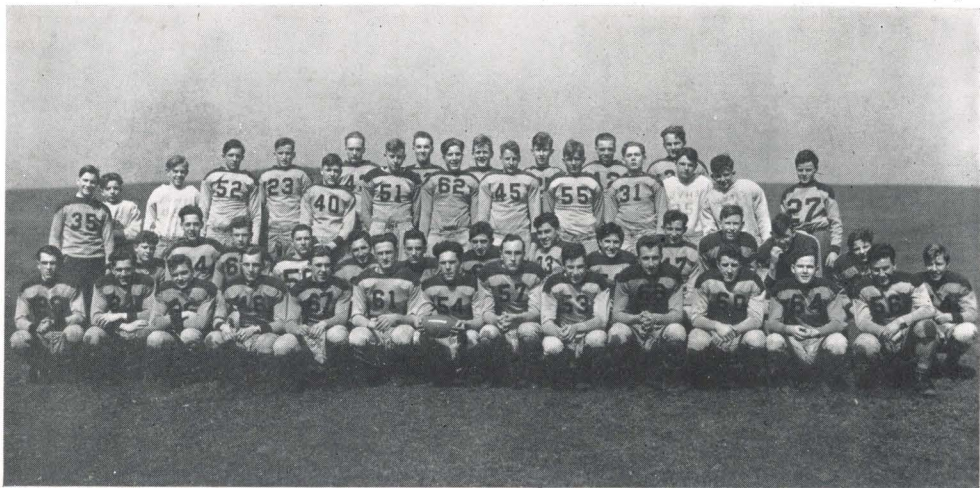

Treasurer, Harold Krause.

To help defray the athletic expenses and swell the Varsity Club's treasury, the members produce a "Varsity Show" annually under the directorship of Mr. Hartman and Mr. Herman.

In the spring of each year, the various business organizations and clubs of the borough sponsor a banquet given for the Varsity Club members.

FOOTBALL

The 1938 football team finished its season with many bad breaks as well as good ones. They won three games and lost six which gave a percentage of .333.

Two of our team mates were selected for the all sectional W. P. I. A. L. team; namely, Paul Dodson and Harold Lutz, halfback and end respectively.

High scorer of the season was Harold Lutz who helped to complete numerous passes and run his total number of points up to 36.

A great deal of the credit should go to both the regular and reserve line.

BASKETBALL

The basketball squad of 38-39 enjoyed a successful season. The varsity team, which was coached by Mr. Hartman and Mr. Reed and managed by Regis Sauers, Robert Nofsinger and Elmer Cerar, succeeded in winning 14 out of 20 games played throughout the season. Of the 14 W. P. I. A. L. league games scheduled, they won nine and were in third place.

Captain Kornick made 265 points in 18 games, thus breaking the section record for individual points—his average was 14.7 per game. Lutz followed with 145; Casciotti, 89; P. Dodson, 69; Kossler, 54; Haser, 24; Robert Henke, 10; Ray Henke, 6; Martin, 9; D. Dodson, 9; and Howell, 1.

The six games which were lost were by such a close margin that they made our third position in the league more valuable.

BASKETBALL---Junior Varsity

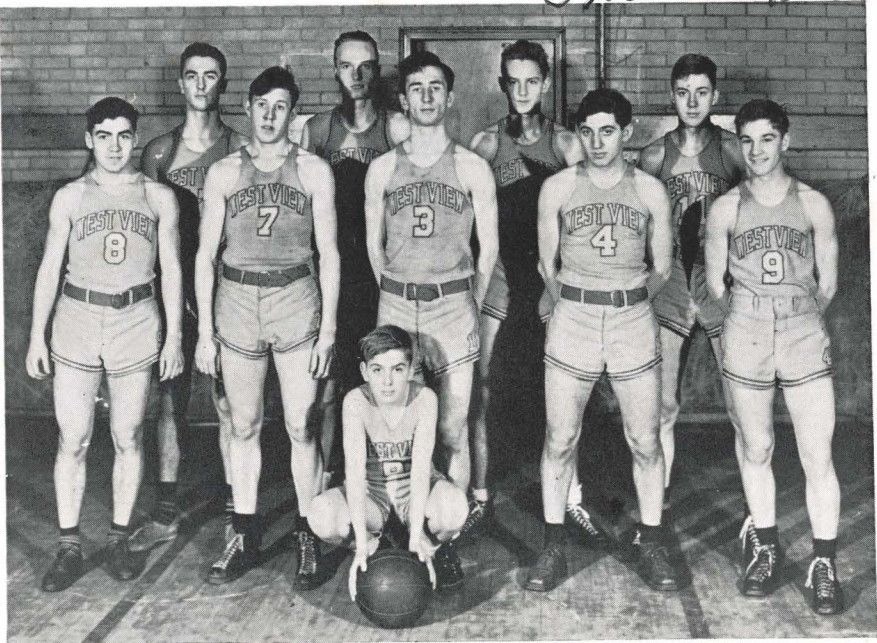

The Jr. varsity of the 1938-39 season showed much promise for the coming year. Of the 19 games played, they came through with 12 victories and 7 defeats. They were coached during the season by Mr. Reed. Elmer Cerar was head manager.

Kirk Martin, high scorer, was in the groove with 85 points, and right on his heels was Dick Dodson with 83. They were followed by Edward Torso with 72; Raymond Henke, 54; Charles Schnurer, 64; Orlando Maiorana, 15; Charles Perlick, 1; Charles Meyers, 7; Robert Freyermuth, 2; Charles Turner, 3; Raymond Pacy, 2; and Alex Dickson, 5. The juniors got off to a rather bad start, but soon picked up and won 6 in succession. Of the two games played with Bellevue, both went into an over time with Bellevue coming out on top. With a bit of luck the Juniors would have come out with an average of 1,000.

The schedule of the Jr. Varsity team is as follows:

Team	Opponent	West View	
Neville	16	26	won
Leetsdale	36	22	lost

GOLF

Miss Aiken and Mr. Tiffany have done a very good piece of work with our golf team. They worked hard and came through the season with flying colors. The members of the team are Elmer Connor, Herbert Wilt, Paul Dodson, Louis Kornick and John Filsinger. We hope to have just as good a team next year.

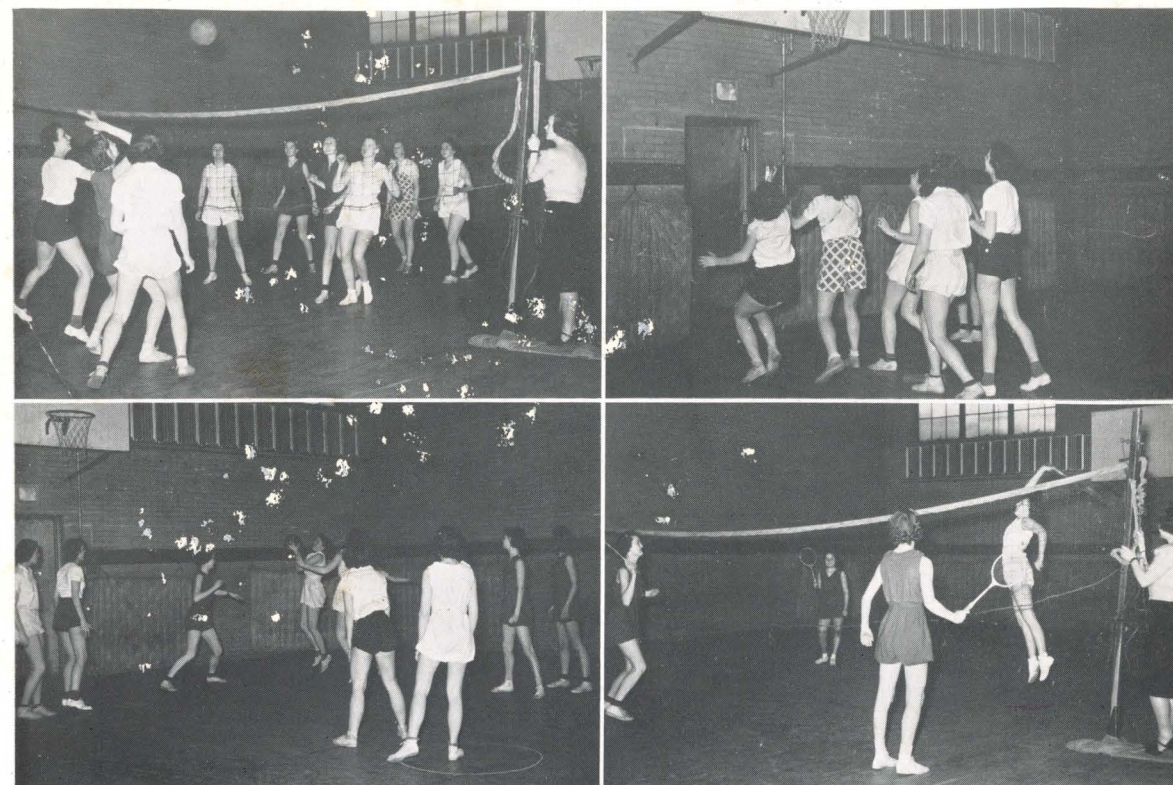

CHEERLEADERS

Cheerleading is one phase of the activities in our school that is really excelling. The cheerleader, Ruth Grigsby, Elsie Sapper, Barbara Jeffrey, Madge Evans, Norma Korneke and Irene Benko have had real school spirit and have done their best to impart this spirit to their fellow students. They have done a good job.

Let's give a big cheer for them.

Come on Rose
Come on Gold
Come on West View
Knock 'em cold!

GIRLS SPORTS

Thus far, with the excitement of a new school, the girl's sports have been slightly neglected; however this is gradually being eliminated. For instance, tennis now offers opportunities for the girls to participate in athletics. There are also volley ball, basketball, badminton and other games which give the girls opportunities in the athletic programs.

MINOR SPORTS

The minor sports of our school are baseball, track, and tennis. The baseball team was admitted into the W. P. I. A. L. Owing to the fact that they have not lost any members of last year's team, Coaches Hartman and Reed look forward to a promising season. There have been a few additions to the pitching staff and infield which will help strengthen the team.

Two new sports were introduced into the activities of the school by Mr. Kruse—tennis and track. The track team practiced very hard to be in shape for the several tournaments in which they were entered. The tennis team also worked very hard to make their matches successful.

The Senior question] "What'll I Do" was pretty well settled Vocational Day as they listened to the many speakers.

April 29

"There's a Song In Our Hearts" and it's the one the trio sang as they entered the state contest.

May 4-5

"Life Is What You Make It" and if you saw the Varsity Variety Show you made it light and carefree for one evening.

May 12

"Got My Mind On Music" is what Mr. Camp said as he directed his band and orchestra in the music festival.

May 17

The Seniors are saying "It's All Over Now" as the finishing day of school comes.

May 26

Those people who were swingin' and swayin' at the Junior Prom at the Wildwood Country say "It's De-lovely".

May 29

The Seniors say "Thanks For Everything" as they attend Class Day and the Senior Banquet.

May 31

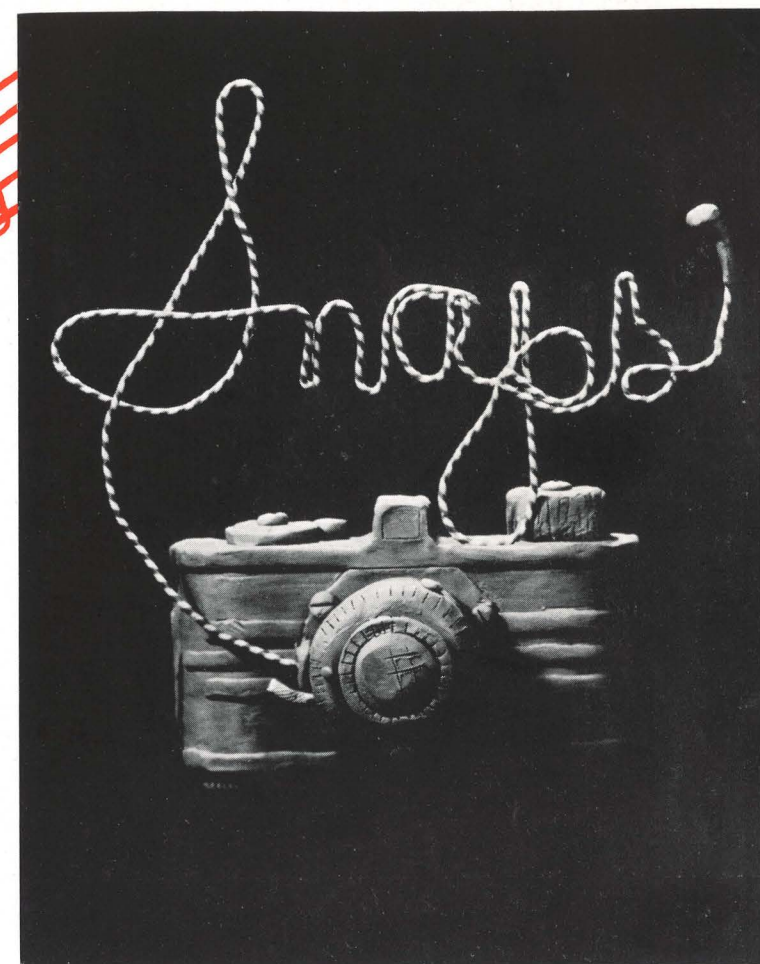

At an impressive graduation one hundred and twenty students bid good-by. May they remember their high school days "Always and Always".

June 3

"Little Man You've Had a Busy Day" at the school picnic in West View Park.

June 4

"Time On My Hands".

FEATURES

Now before you close the book
Won't you get into swing:
See the many snaps we took,
And read the "ads" we bring.

JUST A "MUGG" PLAYING FOOTBALL—THAT POSE AND STANCE—ISN'T HE HANDSOME?

"ASK THE PROFESSOR"—WHAT A CAST AND WHAT A PERFORMANCE—LOOK AT THOSE SMILES.

INSEPARABLES—MY! BUT THAT ICE CREAM LOOKS GOOD.

WELL! WHAT HAVE WE HERE—LOOKS LIKE A GOOD CASE OF "HOLD TIGHT".

HERE'S A GOOD PICTURE OF OUR CHEERLEADERS AND FOOTBALL FANS.

GRADUATION IN SWINGTIME

We started here in '36,
When "swing time" had just sprouted
The pupils then were stiff as sticks
And "truckin" still was doubted.

When '37 came around,
This was a different thing
For every teacher then had found
He'd better teach in "Swing".

Then '38 had come in view
The teachers started "shagging"
Each lad and lass learned "swingaroo"
And lessons sure were lagging.

Along came 1939
And with it graduation
By this time "swing" was in its prime
With all its syncopation.

Dorothy Knoth
