OUR COMMUNITY

From Ross Township's early beginning in 1809, and West View's later birth in 1905, there have grown a first class township and a thriving borough. Today, nearly 140 years later, these two have a combined population of 22,000 and a total of 5,994 dwelling units. In 1948 the two school districts of Ross Township and West View combined to form what now is known as the North Hills Schools. With growth so rapid in the two districts, both found that a joint program would result in a better school plant and a more effective educational program. The results of this reorganization program prove the wisdom used by those responsible for it.

NORTH HILLS SCHOOLS

WEST VIEW HIGH SCHOOL, WEST VIEW, PA.

FOREWORD

No phrase is more common to the high school student than the popular advice, "Make the most of your high school days 'cause they're the best." Students nowhere could be more aware of the truth in this statement than those at West View High School, because West View too is "the best." Moans are constantly being heard from underclassmen who wish to be seniors, but when graduation comes, any senior would gladly trade places with anyone beneath him.

Many different paths will be taken by us graduates, but no matter what the future may hold in store for us, it will never replace those wonderful days at West View.

For this reason we have developed the theme of the 1950 Westvian around the theme dearest to us all—West View High School. We want this yearbook to serve as a record of every day spent at West View—of our administrators and teachers, our friends, and our activities.

We invite you to join with us as we present our favorite story—the story of our last year at West View.

The SCHOOL

ADMINISTRATORS

our understanding advisers . . .

TO THE CLASS OF 1950 —

It is always with a feeling of uncertainty that we say goodbye to each graduating class. We wonder as we see our job as teachers about to be completed, whether or not we have done that job successfully. We never get the full answer to that question, until many years later. If you are successful in taking your place as a happy conscientious, diligent American citizen, then we know that West View High School could have had some part in that success.

As you leave this high school, and leave the unit known as the Class of 1950, you will be seeking new interests, making new friends and striving for new and greater goals. We have tried to provide opportunities through your participation in the school

program which will enable you to take your place in the American way of life. We hope that you will be able to stand on your own feet and progress satisfactorily.

The ceremony that you will go through in order to graduate is called Commencement. It is well named. It is the beginning of the adult phase of your life. As you face it you know that you have my wish and the wishes of the entire faculty for your success and happiness. May you as a member of this West View High School Class of 1950, bring greater acknowledgment to your class by the good deeds you do after Commencement.

. . . and loyal friends . . .

To the Class of 1950 —

During the past twelve years small groups of boys and girls have traveled converging school paths. During the past few years, these paths have met and have been combined into the High School. There are young men and women who now are being graduated and who look strikingly like those small boys and girls of yesteryear.

We, as administrators, as well as you who are being graduated, must look Janus-like into both the past and the future. It is common to all of us, that the friendships formed during our associations in school are among our brightest jewels of life. You who are leaving look forward to new friends in the future; we who remain look to the new and younger boys and girls to take your honored places.

What have the schools tried to give you? It has been our desire to equip each of you with the tools of learning, the beginning of life experiences, activities in general which will enable you to take your places in life. As steel

is refined, molded, shaped and then allowed to "age" before being put to use, so must young men and women mature in both thought and in skill and practice in using these fundamentals and ideas.

In a few short years you will occupy the places which your parents and teachers now hold. We hope that you may be prepared to meet world problems in a far more peaceful and practical manner than have we who have gone before you. We envy you your opportunities and the chance to profit from our mistakes.

As you leave these halls, take with you our best wishes, our continued interest in you, our friendship and the many pleasant recollections of our associations with you. Come back to renew your past association with us. You are always welcome—and as we bid you a reluctant farewell, we wish you Godspeed.

SCHOOL BOARD

determines our school policies

The Board of Education of the North Hills Joint Schools is proud of the opportunity to congratulate individually and collectively the Class of 1950. We are proud of your many and varied achievements both in your academic work and in activities. We are proud of the school spirit manifested both on the field and in the stands, in victory and in defeat.

This second year under the joint agreement has served to further cement the relationship already existing between Ross Township and West View Borough. The two districts working together make it possible to be assured that

the same high standards of achievement built up through the years will be maintained. An enrollment of the size needed to offer a well-rounded curriculum is also assured.

All members of this Board join with your school administrators, faculty, and friends in wishing for you the necessary courage and desire to face life bravely, for a willingness to play the game honestly and fairly. Above all, it is our fervent hope that each and every one of you will be devoted to the cause of democracy and a love of country that will make you intelligent citizens of whom we can continue to be proud.

SENIOR EXECUTIVE COUNCIL

gives us the best in activities

"How about something different for an activity this year?" "Why don't we rent a ferry boat for a moonlight excursion?" "Let's have a good ole square dance!" "Couldn't we have a skating party?" "What's wrong with a hay-ride?" These are just a few typical examples of suggestions offered the executive council when planning the senior activity. Everyone wanted something new and different, so the council really had a tough time trying to plan something that would interest all tastes and still be original. After many meetings and much strain on the council members, they finally came up with a really top activity—a Carnival Hop!! The Carnival, complete with fortune teller, kissing booth, penny pitch, trick photographer, dart games, cake contest and others was combined with a dance and held in the high school.

Probably the most unforgettable part of the evening, was the program at intermission, consisting of the famous "Ragtime Charlie Delp," that talented "Four-Maldehydes Quartet," and those terrific, exciting dancing dolls.

After the Carnival Hop was over, the executive council, with Stuart Warner as president, Gene Miller, vice president, Sue Beall, Secretary, and Lois Weixel, treasurer, plus home-room representatives Bobby Lamneck, Helen Williams, Audrey Anton, Doris Ford, Jim Burke, Ken Rall, Lucille Seethaler, and Carol Hefren, settled down to making arrangements for the dinner dance, the senior class play, and other events.

It's really tough to plan activities that satisfy 250 seniors, and we thank the executive council for doing such a good job of it this year.

STUDENT COUNCIL

student government in action

The trademark of a democratic school is a strong, active Student Council voicing the hopes and desires of all the students. As a bridge between the administration and the students, the West View council has functioned smoothly and efficiently. Much of the credit is due to President Dave Roy and Vice-president Norman Brenneis assisted by an able cabinet. Faculty guidance was supplied by Mrs. A. Hartmann, Mr. Jordan, and Mr. Metz. Our council has always been noted for its numerous accomplishments.

In September the Council sparked a magazine campaign that netted almost \$1,100. Some of this sum was used to buy a new clock and

scoreboard for the gymnasium. A lion's share of the profits was earmarked for special assemblies starring such attractions as: Jack Rank interpreting Shakespeare, the Dorelle Trio, Captain Art Hook lecturing on Alaska, D. K. Ernst the hypnotist, and other educational programs.

Three delegates, led by Treasurer Stuart Warner, attended the State Student Council Convention at Coatesville, Pa., where West View was voted the privilege of sending a representative for the second consecutive year to the national convention to be held the second week in June at Denver, Colorado. This student will be Norman Brenneis.

CABINET OFFICERS

our junior executives

The entire governing body includes the Cabinet Officers, who were elected in the spring of 1949 by a vote of the entire student body, and one representative chosen from each homeroom. In case a member is unable to attend the meeting, an alternate is sent in his place.

All proceedings of the Council are dittoed and distributed to every homeroom for reading and discussion. They are also prominently posted on special bulletin boards for all to see. This task was overseen by Secretary Harriet Donop. Because of the smooth functioning of this system, numerous delegations have visited West View from other schools to study the methods employed. Of particular interest to the visitors has been the election system at West View

which screens candidates for cabinet posts after an open primary nomination.

Council has given much attention in the past year to problems of the cafeteria, the Hall Patrol, cleanliness about the school, the successful functioning of Shuffle Shop, and the widest possible publicity for all school activities and honors. Of special note is the duty of council to set up and administer an activity point system which awards recognition to outstanding students on Commencement night.

This year's cabinet officers are Activities, Charles Gressang; Shuffle Shop, Charlene Ehrenfried; Traffic, Hubert Garver; Publicity, Dave Lebo; Sanitation, Charles McKain; and the officers previously mentioned.

strives for the best

The Westvian of 1950 has been produced by a staff of hardworking students. They have contributed long hours of their free time to achieve a yearbook to be proud of. Our two sponsors, Mr. Herman and Mr. Puchta, and our editor-in-chief, Carol Hefren, have been our leaders in incorporating new ideas into this year's Westvian. One of our first big jobs was to secure patrons to help finance our book. Everyone on the staff was given his share of ads to sell. Bob Murdock, the business manager, then had to tally our sales and keep the money in order. His job was not finished there. At every football game, rain or shine, Bob and his staff sold programs and refreshments. Then when basketball and wrestling season rolled around they again set up their refreshment stand and kept the fans well fed. Heading the photography staff was Rose Ann Kaltenborn. After getting the seniors scheduled for their individual pictures, Rose Ann and her staff lost no time in arranging the activities pictures. Strem's photographer faced many a row of West View students, all saying "Cheese". Bill McKenna and his sports staff worked out the sports section of the yearbook. Everyone agrees that they did a super job. Finding out about each senior was Joan Espe's department. The

literary staff put on their thinking helmets and tackled the senior write-ups. Thinking up clever quips for everyone did not seem to tax their energy for long. Those on the Activities staff under the leadership of Doris Holliday gathered material about all the clubs and organizations in the school; they then spent a good deal of time assembling these write-ups. This staff also had to identify all those minute faces on the activities pictures. They made sure that you wouldn't find your name under someone else's picture. Dave Lebo and the art staff are responsible for the unique artwork which adds so much to the attractiveness of the yearbook. Harriet Donop and her typing staff may have wept over innumerable broken fingernails, but their accomplishment justifies the sacrifice. All the write-ups, captions, and activity material had to be typed accurately. When all the staffs had completed their work, the big job came. Everything had to be re-read, corrected, and assembled. A "Dummy" of the book was made, and then it was sent to the printer. We had nothing more to do until it was time to distribute the books. Everyone who had worked on the 1950 Westvian agreed that it was an invaluable experience and lots of fun too.

THE WEST WIND

gossip getters

"Who was Bob seen out with last night?" "Who was the lucky miss with Chuck?" "Who is Janet's steady lately?" These questions and many more are answered in the "Drool Daze," the gossip column of the West Wind. This and the four other features—"Fash with a Dash," giving all the latest fads and fantasies of clothing; "Indian File," strictly the varsity column; "Horning In," the musicians' column; and the "Inquiring Reporter," where students have a chance to express their views—are found in everybody's favorite paper.

Under the capable sponsorship of Miss Delp, the school paper was always eagerly awaited by the students. Its editor, Billie Fuellenwarth, was always found ready to give her valuable aid.

The policy of the West Wind was to maintain a paper containing all the up-to-date events and social happenings. Every member of the staff worked hard and could be seen rushing at the last minute to try to meet that approaching deadline.

The junior high students gather their gossip from the West Zephyr, which occupies the last page of the regular West Wind. The readers appreciated the wonderful job that the sponsor, Miss Cigoi, and the editor, Janet Ford, did on their part of the paper.

Everybody enjoys reading all articles in the West Wind, but we'll have to admit that most of West View's "intellectuals" turn first to the gossip column, "Drool Daze."

NATIONAL HONOR SOCIETY

people of distinction

West View High School has a system by which recognition is given to those students possessing superior qualities of scholarship, leadership, character, and service—the National Honor Society. Membership in the National Honor Society is the highest honor that can be bestowed upon a high school student. The members are chosen in a school assembly. The old members go through the auditorium and personally inform those who have been chosen for membership. They are initiated in a candle-light ceremony and each member is given a small gold pin.

Members are chosen by a vote of the faculty after careful consideration of every aspect of the student's qualifications. Five per cent of the Junior Class are eligible for membership

in the National Honor Society, provided they rank in the upper fourth of their class. However, this year no Juniors were selected because grading difficulties prevented such a selection.

The National Honor Society performs no activities during the year, but to be selected as a member of this organization is a coveted distinction. No other public recognition is given to the students who earnestly and unselfishly give the best they have to make their school one to be proud of.

The existence of the National Honor Society awakens keener competition among students, creates a higher intellectual standard in the school, and gives public acclaim to deserving students.

Y-TEEN

off to Cook's forest

The Y-Teen club is, without a doubt, the most popular club in West View this year, leading all others with its astounding membership of 176. The president, Helen Williams, and her cabinet: Joan Burnham, Mary Ellen Wescott, Joan Espe, Audrey Anton and Elsie Locher, had their hands full.

To raise money for future activities the girls worked hard during the football season.

The Christmas season saw the girls helping to "hang the greens" at the "Y" in Pittsburgh and sewing furiously on petite baby dolls for underprivileged children.

The "teens" received a bad New Year's gift when their sponsor, Mrs. Craig, became ill and was unable to return for an indefinite length of time. But they carried on in true Y-Teen spirit. February saw another one of the after-

noon tea dances and a "Hit Parade" show which demonstrated Y-Teen talent at its best. March brought the girls' minds to spring wardrobes, and the Y-Teen fashion show sponsored by Gimbels helped give them some clever new ideas. April arrived and with it came a formal tea with all mothers invited. The girls all put on their best party manners. May came and the constant whirl from the first to the twenty-fifth began. The Senior Breakfast, which incidentally was lovely, quickly was followed by the Mexican Kermise, a really gala event. The annual trip to Cooks Forest ended a perfect year for the club.

The Y-Teen Club with all its social and service projects really adds the final touch to West View's many activities.

HI-Y

recognized as the most active in Pennsylvania

The West View Chapter of the Hi-Y was organized by the Y. M. C. A. in 1945 and has grown in four years from 15 members to the enormous number of 220, all of whom are enthusiastic boys. Each member serves on a committee of his own choosing, which makes it more interesting for him and gives him responsibility. Any boy may become a member regardless of race, color or religion.

Although the Hi-Y is widely known for its social and athletic activities, it also has educational lectures, conducted by eminent men of medicine, psychology, reverency, crime stoppage, sex, sportsmanship, and dating manners.

The Hi-Y, which is one of the leading organizations in West View, is run by five qualified leaders: Wally McCall, president; Bob

Watford, vice-president; Norbert Kaylor, secretary; Jim Murray, treasurer; and Hub Garver, chaplain.

Weekly, different Hi-Y boys direct the devotions, and on different occasions, the Hi-Y conducts special chapel services. The Hi-Y has a Father and Son Clinic, where the sons and dads talk over their problems with each other and arrive at a conclusion.

The West View Hi-Y is proud of gaining recognition as the largest and most active Hi-Y in all of Pennsylvania, and will keep striving to hold the acknowledgment.

The complete purpose of the Hi-Y is summarized in a few words: To create, maintain, and extend throughout the school and community high standards of Christian character.

SPEECH CLUB

how to speak well and influence people

This year, as in past years, the sponsors of the Speech Club, Miss Morris and Mr. Metz, have coached an alert and hard-working group of West View students in inter-scholastic participation in public speaking.

The field of public speaking has many subdivisions in which the Speech Club has had, and is receiving, experience. These are dramatic, humorous, oratorical declamation, original oration, and extemporaneous.

The officers of the Speech Club this year were Charles Jacobs, president; Ann Lyn Becker, vice president; and Louise White, secretary-treasurer. Miss Morris coaches the speech department while Mr. Metz is in charge of debate. When necessary, Miss Morris often serves as judge. This year the debate team traveled

to Pitt, to McKeesport, to Sacred Heart, and to Donora where they debated against other high schools.

The members of the Speech Club that wished to, traveled to Monessen for a practice Student Congress, which, in procedure, form, and participation is identical to our representative Congress at Washington. The seven who distinguished themselves at Monessen—Louise White, Harry Pople, Charles Jacobs, Bill Stephenson, Bob Engelhard, Bill McKenna, and Don Stephenson—were sent to the big Student Congress at Greensburg, Pa. There Charles Jacobs was elected president of the Senate, for which he received a gold gavel. Bill McKenna was chosen the most distinguished speaker. The school collected more points than ever before.

NATIONAL FORENSIC LEAGUE

our silver-tongued orators

Again this year West View can be very proud of its National Forensic League. Through the tireless efforts of Miss Morris and Mr. Metz, the members of the N. F. L. have made West View stand way out in front of other competing schools in this district.

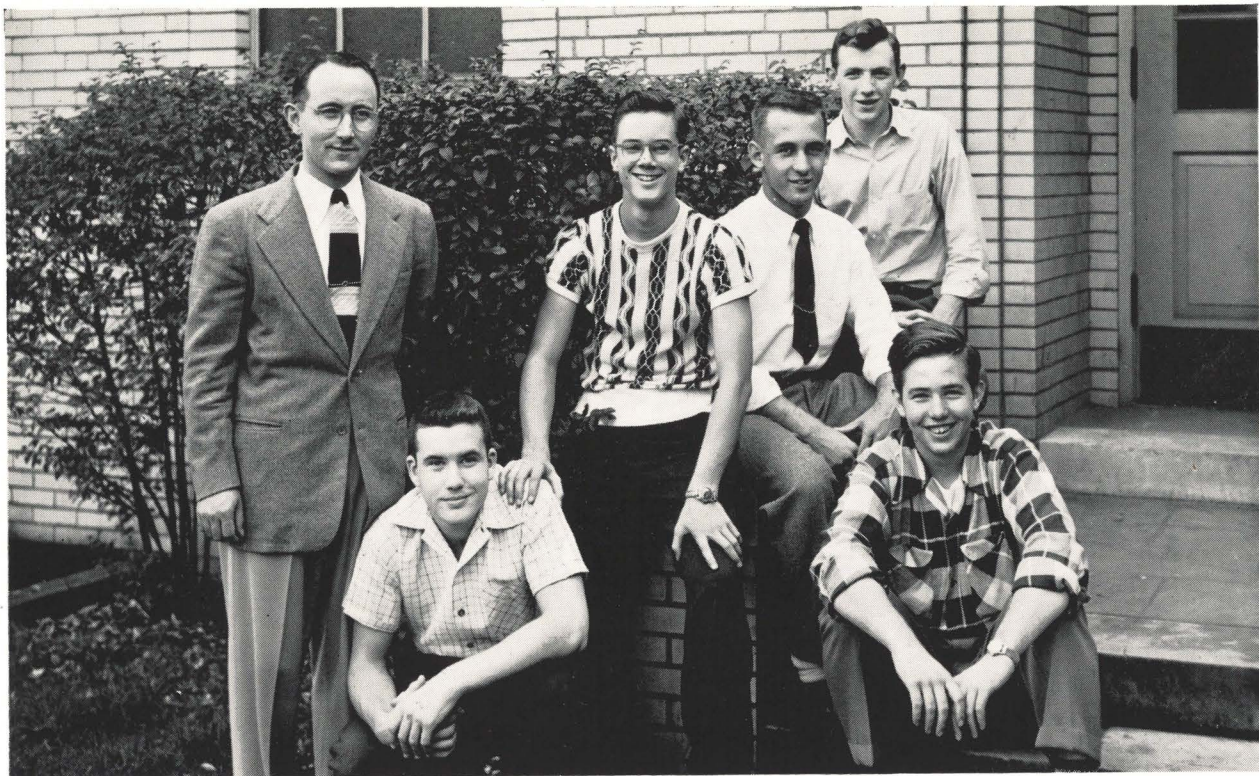

Leading the N. F. L. is Chuck Jacobs, serving as president, who was presented with a gold gavel for being president of the Senate at Student Congress. Assisting Chuck were the vice president, Ann Lyn Becker; and Louise White, treasurer. These students have done an excellent job and certainly deserve a lot of credit.

Participating in the debate contests were Louise White and Richard Zwetsch on the negative side, with Chuck Jacobs and Mary Ellen

Wescott debating on the affirmative side. Harry Pople, Bill Wright, Art Tritsch, Tom Dolon, Phil Kossler and Herbert Costello also debated.

When West View went to Greensburg, Pearl Maleski, Merle Lobeck, and Bill McKenna all took first place honors. This is the first year for these students in N. F. L., and they have certainly done good work. Bill also received a gold key for being the most distinguished speaker of his house at Senate Congress.

In the past, students participating in speech contests have achieved many high honors only by co-operating with their sponsors and working to the best of their ability. This group has continued to enjoy the same success.

STAGE and PROJECTION CREW

men behind the scenes

Our stage crew, working diligently behind the scenes for all of our plays, programs, and assemblies, deserves much recognition.

These boys work long and hard behind the scenes without thought of reward, which makes them the fine and unselfish fellows they are.

The members of the stage crew this year were Norman Brenneis, Captain; Dave Roy, Bud Cole, Dante Petrócelli, Lee Harrison, Frank Otto, and Fred Smalstig. This year the stage crew was sponsored by Student Council under the supervision of Mr. Metz. The captain of the stage crew, under Student Council rules, is the vice-president of the high school.

The fellows on the stage crew should be

awarded the Unselfish Medal each year, because they volunteer their services unselfishly and serve faithfully on all tasks. If it were not for these fellows who give their time so willingly, no play or assembly could be a success.

Think back through the year to the many programs and assemblies on our stage. Ask yourself these questions: Who dimmed the lights? Who drew the curtain? Who set up and took down the scenery? Remember these fellows as the ones who spent many long hours making West View's productions the biggest successes.

Remember them the next time you are in the auditorium.

HALL PATROL

keeps us on the right track

If you have ever been pushed, trampled and crushed in a Christmas rush, you know what it was like in the halls of West View before the hall patrol was put into full swing. Christmas shopping is usually worse because men and women seem to forget completely what courtesy is. A hall patrol wouldn't be of much value in department stores, but it surely straightened things out at West View. New students are politely and safely directed to unknown parts of the building. In no time at all—thanks to the very capable hall patrol—students know their way around, and everybody gets to class in the three minutes time allotted to them.

One of the biggest assignments handed to any member of the hall patrol was a post in the

cafeteria. Just to be on hall patrol duty at lunch time proved to be very risky with approximately three hundred hungry students all scurrying in the same direction. This very excellent hall patrol kept many from being trampled in the lunch line rush. They also kept the students from roaming the halls disturbing classes after they were finished eating.

The hall patrol also had the task of getting students into the auditorium on time for assemblies. They helped to get students to their seats more quickly so as to allow full time for the well-planned assemblies.

This year's hall patrol was very expertly led by Hub Garver, Secretary of Traffic.

CHEERLEADERS

cheer for victory

Here they are—our peppy cheerleaders who kept West View's spirit at the highest peak in the history of West View High. In their snappy red and white uniforms, they added dash and color to West View's athletic events, and cheered the boys on to a victorious season never to be forgotten.

These girls worked hard during the summer, making up new cheers to add to the many old ones. They also practiced through the entire school year, and could be seen and heard at all the games and pep rallies.

Miss Aiken, the sponsor of the cheerleaders, worked with the girls through the entire year. Mary Elms, the manager, took care of the attendance records and many other things. However, much of the ambition and interest is due to the efforts of the head cheerleader, Audrey Vaughan.

Five new girls joined the remainder of last year's squad—Audrey Vaughan, Lucille Seethaler, Billie Fuellenwarth, Ginny Reubene, Betty Ramsey, Shirley Shubert, and Marjorie Branney. They were Ann Lyn Becker, Charlene Ehrenfried, Patty Spatz, Marie Strupek, and Marjorie Wurdack. All of these girls worked together, helping each other and practicing faithfully.

Our school, as well as the boys on the team, was especially proud to have such peppy and pretty girls cheering for the teams and leading them on to a victorious year, which could not have been accomplished without these vivacious cheerleaders behind them.

All of West View can be proud of their hard-working cheerleaders this year. Thanks for a job well done!

SIGMA PHI SIGMA OFFICERS

boost school spirit

This year we believe that West View High School has attained a new high in school spirit. This building of school spirit is mainly due to Sigma Phi Sigma, the high school pep club, and its staff of capable officers and sponsors.

The Sigma Phi Sigma has many jobs, but the main goals are to build school spirit and to keep up the morale of our various teams.

For every home football game they planned a clever pep rally. The decoration committee decorated the auditorium. Red and yellow carnations were sold to wear to the games. After the Hampton game the Sigma Phi Sigma sponsored a Victory Dance in the gym. They also took tickets at all football and basketball games. The art section garnished the halls with colorful posters and winning slogans to spur our

teams to victory. The goal posts were decorated for every home game.

Much of the credit for all this splendid work is due to the club's capable president, Ann Lyn Becker. It was through her untiring efforts that we have obtained our goal. She was ably assisted by Helen Williams, vice president; Margie Wurdack, treasurer; and Charlene Ehrenfried, secretary. Mr. Martorelli, the club's sponsor, contributed his utmost to make Sigma Phi Sigma the best ever.

We at West View are proud of our teams and proud of our fine school spirit. Sigma Phi Sigma deserves a pat on the back for showing such a fine example of pep and spirit. They've really helped to put West View on the top.

RADIO CLUB

broadcasts for station WVHS

We admit that radio is becoming out-moded by the development of television, but West View's up-to-date Radio Club has solved that problem. They have included television in their program.

There are no girls in the club, so the boys' thoughts are never diverted. The boys in this club can take radios apart and put them together again like experts. Usually pretty quiet, most of the members could talk for hours on this special subject. During club sessions the boys use regular radio scripts, and the entire meeting goes off like a radio program—although not quite as smoothly.

The club got off to a slow start, but its president, Bob Lange, soon had things under control,

and the radio club finished off the year in high style. The cabinet consisted of: Bob Lange, president; Bob Murdock, vice president; and George Newell, secretary-treasurer.

The members of the Radio Club planned several field trips to transmitters and studios in and around the city. A radio studio with all of the trimmings is planned for the music room. The job of building this radio studio is left to the members of the Radio Club. They have the plans and blueprints, which were drawn up last year, and are making improvements on them.

Through the teachings of Mrs. Gibson, their sponsor, the members learn more about radio every year.

GIRLS ATHLETIC ASSOCIATION

learns everything but wrestling

This cheery group of girls make up our sports lovers of the well-known G. A. A. They have worked hard to learn the rules of many different sports under the leadership of Miss Aiken, their sponsor.

Basketball and volleyball are on top of the girls' list of favorite sports.

The senior girls and the women faculty members played a very interesting basketball game at the Benefit Game, November 29, 1949. Don't worry girls, maybe the faculty did win, but wait till the class of 1951 comes along and makes their score. I don't believe the faculty will be overjoyed then.

Every member who accumulates fifty points will receive a G. A. A. letter. You can obtain these points by attending practice and by being on the winning team. We girls surely do knock

ourselves out to get on that winning team.

The high school gym was reserved after school every Tuesday and Thursday by the G. A. A.

The junior high G. A. A. plays the same games as the senior high G. A. A., but they have their own separate meeting.

Everyone who signed up for the Girls Athletic Association was accepted as a member, because the girls at West View High School do not have the wonderful opportunities that the boys do in the athletic field. They are prohibited from participating in inter-scholastic athletics because they are too strenuous for girls.

This is one association where girls can obtain sportsmanship, good health, loyalty, and respect for one another.

LIBRARY CLUB

lends but never borrows

Miss Rea, the school librarian, sponsors the Library Club which consists of girls from senior high school. Their job is to keep the books in good condition, check the books in and out for the students, look up references for special projects, and file magazines for reference.

These student librarians also have the job of planning and arranging the bulletin boards each week. They arrange book covers according to a current event in the school, such as a sport, a season, a holiday, or a subject of contemporary interest.

The presiding officers were Gayle Phillips, president; and Norma Hartman, treasurer. They work hard to keep the club posted on events, to assign work to its members, and to

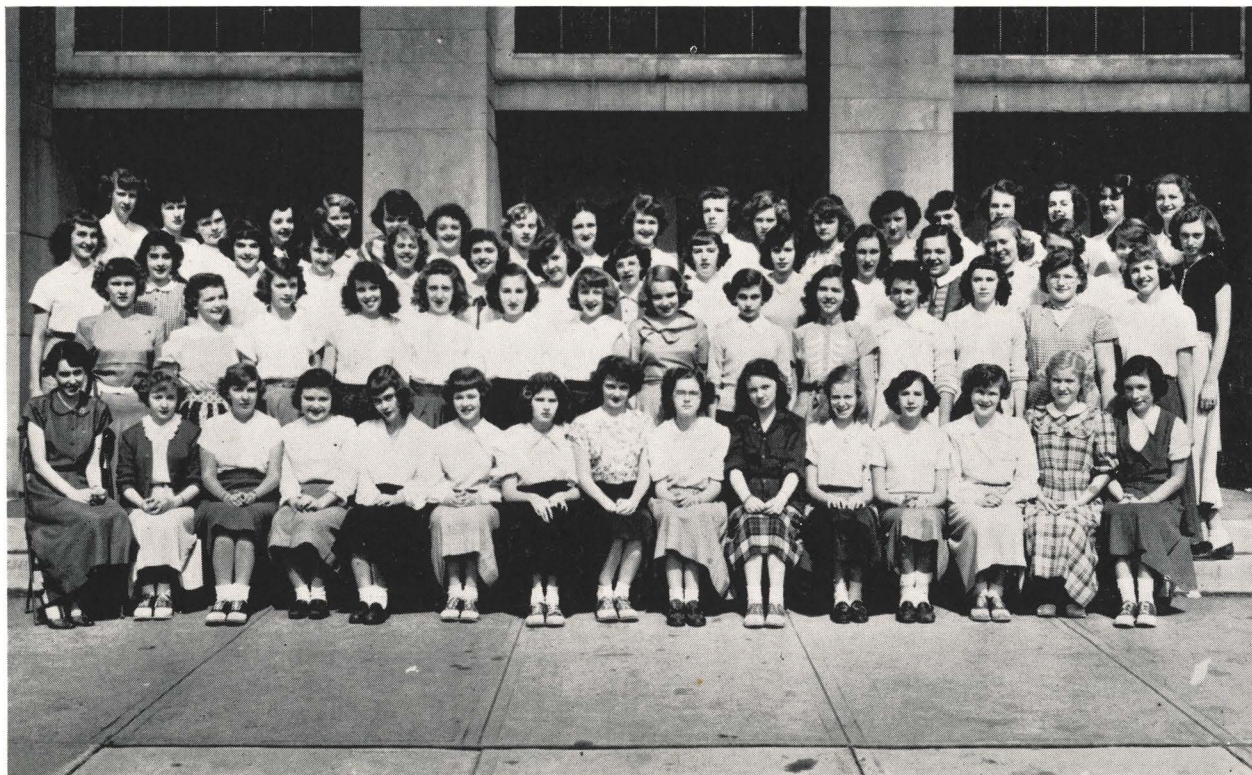

keep everything running smoothly.

A big event planned by the club is the decorating of the library for the Christmas holidays. A pine tree becomes the focal point of many students for a week, while the bulletin boards, the doorways, and the walls are bedecked with holly, evergreen and mistletoe, and the windows portray typical holiday scenes.

In the spring the club has an annual banquet for the whole membership, which numbers about sixty.

The girls do their best to keep the library and the numerous shelves of books in good order and deserve to be highly commended for their effort.

FUTURE HOMEMAKERS of AMERICA

happy days ahead

The Future Homemakers of America is a national organization of girls studying home-making. The membership of the West View chapter of the F. H. A. is open to all girls who are interested in working together for a better and happier home life for all. The F. H. A. members believe that making happy homes now and in the future is the most important thing that youth can do for democracy. The F. H. A. not only participates in home activities, but also is active in local, state, and national activities. Each year a group of representatives is sent to the State Farm Show in Harrisburg. There they participate in contests with other F. H. A. members throughout the state. Another state

activity which the F. H. A. participates in is the annual state convention at which the state officers are elected.

On a national basis, delegates are sent to the national convention which is held during the summer months. Here F. H. A. members from all over the United States get together to elect officers and try to improve their organization. Locally the F. H. A. helps the veterans' by covering match boxes and making favors for the different holidays. The F. H. A. is facing the future with the high hopes of making the future homes of America better places in which to live.

THE ORCHESTRA

plays its way into our hearts

This year, under the capable direction of Mr. Hebecker, the West View High School orchestra has grown and prospered.

The orchestra prides itself with arrangements of popular, classical, and jazz music which they play for public appearances.

These students have played many times during the year for important school social events. They help us to enjoy intermissions between the acts of the school class plays. The lilting melodies certainly did their share to make these events successful.

These instrumentalists have studied diligently and must be equally skilled in popular and classical music, or in other words, "from bebop to Beethoven."

This year the orchestra has a subdivision

at Samuel Hamilton Junior High. Mr. Caruso is training these young instrumentalists in the moods and methods of versatile musicians.

The orchestra works hand in hand with Miss Conner and the vocal department to promote the ever-growing interest in the fine art of music. These young people send soloists and small groups of students to participate in contests and to exchange assemblies.

The members of this fine orchestra can well be proud of their accomplishments this year. Their music proves how hard they have worked to make this a worthwhile organization.

Our congratulations and thanks to Mr. Hebecker and his musicians for the wonderful work they have put forth toward the accomplishments of the West View Orchestra.

ART CLUB

future Rembrandts

The Beaux Art Club was organized early this year. It was a very talented group which kept going at full speed the whole year through. With Mrs. Cook's help the art club is fast becoming one of the most popular organizations of the school. Anyone especially interested in art has the opportunity to become a member.

The purpose of the art club is to promote an interest in art and give recognition to those artists who deserve it.

These future Rembrandts chose to meet once a week in the High School Studio. They started out their work by painting still life. Through the year they did water coloring, tried out various mediums, and accomplished many other interesting things in the field of art.

Some members were responsible for many

painted and printed posters that publicized all big events. They have a large number of beautiful Christmas decorations. Hidden talents of many students were discovered through these posters. The name Joe Steirheim was attached to several of them. Secretary of Publicity, Dave Lebo, also added a lot of advertising posters around school.

The main project of the club this year has been the acquisition of a number of framed paintings for a lending library of art.

The art club president this year was Howard Kappel, who did a wonderful job. The other officers were Mimi Snyder, vice president; Nancy Leake, secretary; and Bob Gille, treasurer.

The art club certainly added color and life to the school during the past year.

CHAPEL CHOIR

songbirds of our assemblies

That soft, flowing music coming from the balcony at the beginning of each assembly can be credited to the West View High School Chapel Choir. It is composed of seventy of the best voices from the Mixed Chorus and, like the Mixed Chorus, is under the capable leadership of Miss Conner.

The Chapel Choir had no special practice time. Their only practice was Thursday and Friday mornings with the Mixed Chorus. For this reason the members had to be exceptionally good sight readers and had to be able to learn music quickly.

The very able accompanist for this group, as well as for the Mixed Chorus and various other musical groups, was Barbara DeOtto. Her services were greatly appreciated.

From the Chapel Choir came the Mixed Ensemble, the Girls Ensemble, the Boys Quartet and the Girls Trio. The Boys Quartet was composed of Gerard Richey, Stuart Warner, Bob Stoyer, and Chuck Gressang. The Girls Trio was composed of Joanne Pople, Ruth Horni and Janet Rowley. These groups, singing at both school and outside activities, supplied much enjoyable entertainment for all.

The main duty of the Chapel Choir was to sing before assemblies. They received many compliments on their singing from visitors in our school. Without their singing an assembly would not have been complete.

We greatly appreciate the fine work of Miss Conner and the Chapel Choir.

THE CHORUS

our pride and joy

Any Thursday or Friday morning the strains of sweet music can be heard filling the corridors of West View High School. This music originates in the auditorium. It is the West View High School Chorus enjoying their weekly practice.

The chorus, under the capable leadership of Miss Conner, has won the State Championship in the Class A group. They present many programs during the school year. At Christmas time the chorus presented its annual Christmas cantata, "Childe Jesus," which seems to grow in beauty and meaning each year that it is presented. The chorus also had the honor of being chosen to represent this district in the Chorus Clinic.

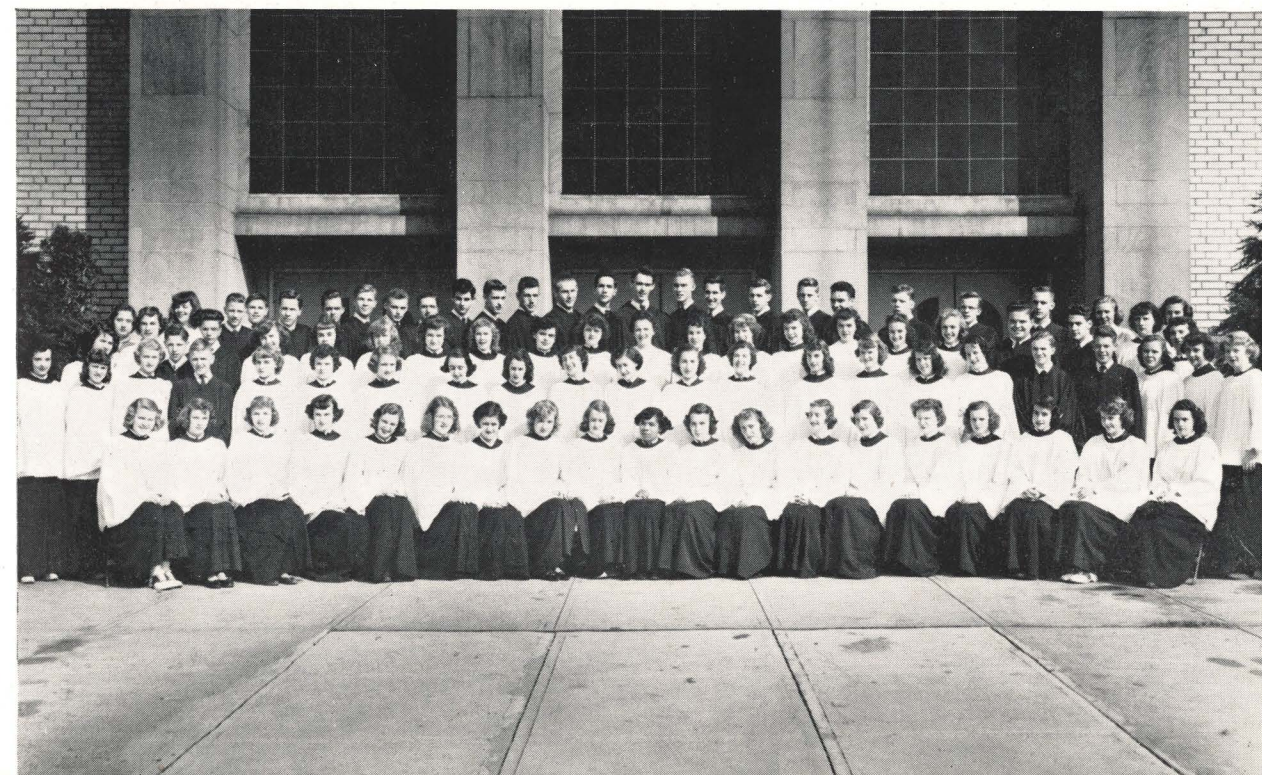

The most important event of the year for the chorus is the State contest in which they participate. Last year the chorus took a memor-

able trip to Pottstown for the state contest. It was enjoyable not only because the chorus took the state championship, but also because of the wonderful experience and good times had by all the chorus members.

With hard work and co-operation from every member, Miss Conner has built a fine chorus, one which every member is proud to say he belongs to. West View is also extremely proud of its chorus and takes great pride in the fact that they have been chosen to sing at many important events throughout the Pittsburgh district.

The chorus has brought honor to West View mostly through the untiring efforts and the patience of Miss Conner. The graduating seniors can always look back to the chorus with pride in its achievements and glowing memories of good times.

BAND and MAJORETTES

tricky twirlers and master musicians

What is it that has always made the band an organization of which everyone is proud? Is it because of the superb direction of Mr. Caruso, the fine leadership of the head major and majorettes, or the cleverness and the originality of the routines? Well, it is due to all these reasons, combined with the high spirit exercised by each band member.

During a week in the summer the band practiced under the hot August sun, preparing for the fast approaching football games. It soon became like a large happy family, and the satisfaction everyone received, because of his hard work, was worth every hardship.

Our head majorette, Carolyn Rodgers, showed great skill in leading the band. She will be listed with the best of West View's high-steppers. Behind Carolyn pranced Joan Espe and Doris Ford, also spinning their chrome top batons. Immediately following the top three came the "line" with precision marching and sparkling smiles. Following the line came the head major, Dick Sorenson, who marched and gave commands with majestic skill. Then came the music-creators themselves, marching to the

rhythm of a snappy march. Although the sub-majorettes seldom marched at half-time, their marching and twirling ability at pre-game was praised by the crowd. Throughout the football season the band displayed some of the finest routines West View had ever seen.

On the days of January 26, 27, and 28, Mr. Caruso and West View were hosts to a "festival of bands". James Donlop of the famous "Blue Band" of Penn State College was guest conductor. Over one hundred and fifty students participated in this festival. It was composed of the finest musicians from sixty-five schools. Everyone who heard the band agreed that it was the most entertaining band music ever presented. The complete band rehearsed during school hours, and the music flowed through the halls, but disturbed no one.

Another year has passed for the band, but it will continue to grace West View High School with its fascinating routines and heart throbbing fanfares. Mr. Caruso is to be congratulated for his guidance to such a fine group as the West View High School Band and Majorettes.

ATHLETICS

FOOTBALL

*rolled through
a sensational season*

"On to victory" was the cry as West View's gridders rolled through a sparkling season. The Indians brought back the best football record that West View has thus far known, and certainly deserve any honor which may come their way.

Our captain, and three stripe man, Chuck "Goose" Gressang, was a star from beginning to end, Chuck filled the quarterback slot until he injured his ankle in the Avonworth game, and wasn't able to see action again until the Sewickley contest. Ray Heintz was the man for those driving charges from the fullback position. Razor's hard driving tactics paid off, for he completed the season with fifty points scored. This feat set him up as high scorer for the year. Lyle Bergman and Don Kibler were our two halfbacks, with Lyle on the right position and Don on the left. Lyle's spinning carried him out of many an impossible jumble to hit pay dirt. Don, a senior and new member of the Braves, was responsible for many of West View's scores, both by accurately passing to a waiting receiver, or skirting the ends.

Stan Fischer was the tall pass snatcher who appeared on left end. Stan's co-player on right was Big Al Mazur. Al's leaping catches and his all around playing ability won him a place on the All Star Team which appears at Forbes Field in late August. This is quite an honor, and we wish Al the best of luck in the game.

"Red" Cully was in the left guard post, and a bang-up job he did of smashing the opponents. Ken Rall filled the other guard slot and put in a fine season both on defense and offense. Gene Miller was the expert on opening up the line and driving through to make the tackle. Dave Boffo, playing at left tackle, made many a sizeable hole big enough to drive a truck through. Dependable Dave Roy, our center, was faultless on his return of the ball to the backs.

Bill Fischer and Jeff Leake, both juniors, proved to be capable defensive ends. Any line was duck soup to husky Harold Pomeroy as he charged into the opposition. Bill Dosey and Chuck McKain were poison to any fellow who trespassed in their territory. Carl Barnhart, a junior, was the smallest fellow on the squad, but definitely one of the most talented gridders. Norb Kaylor also did a fine job on alternating at center.

Other fellows who merit mention are: end, Thane Amann; guards, Wally Weber, Fred Smalstig, Bob Gille, and Marty Loscar. The tackles were Chuck Marien, Ernie Reif, Clyde

Rickard, and Ed Stockhausen; backs, Ron Kimmich and Buzz Miller.

The first of West View's after dark contests was at distant Kittanning. Highlighted by Kibler's 95 yard return of an intercepted pass, the Braves chalked up a 19-0 victory.

Next on the schedule was last year's Ohio Valley Conference co-champion, Avonworth. The Indians revenge was complete with a 19-0 victory, but the evening was marred by Chuck Gressang's injury.

Beaver, a new opponent, was unable to hold down Big Al Mazur, and West View was a 6-0 winner.

The following week our challenger was strong Allegheny, a city league contender. The Indians, however, didn't scare easily, and proceeded to outplay their visitors and hand them a 19-6 pasting.

Meeting our traditional rival, Bellevue, on their home grounds proved to be a stumbling block for the Braves. Although West View got

an early lead, Bellevue rallied in the third quarter and won a 12-7 upset.

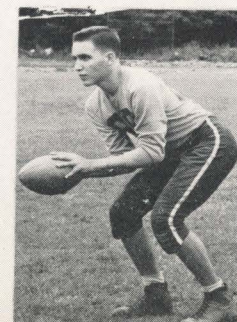

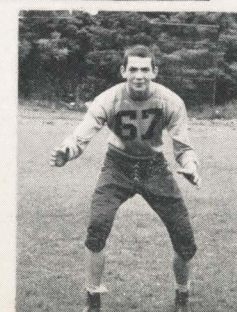

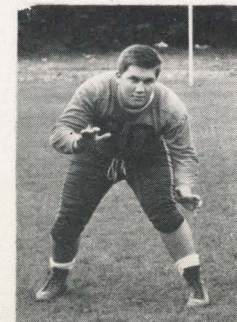

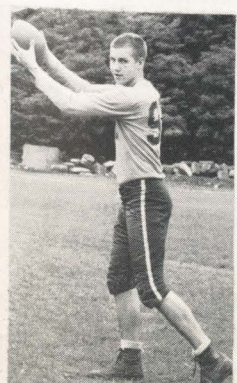

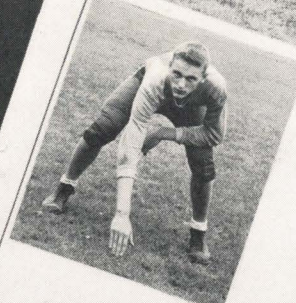

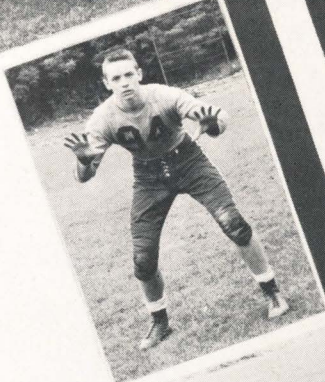

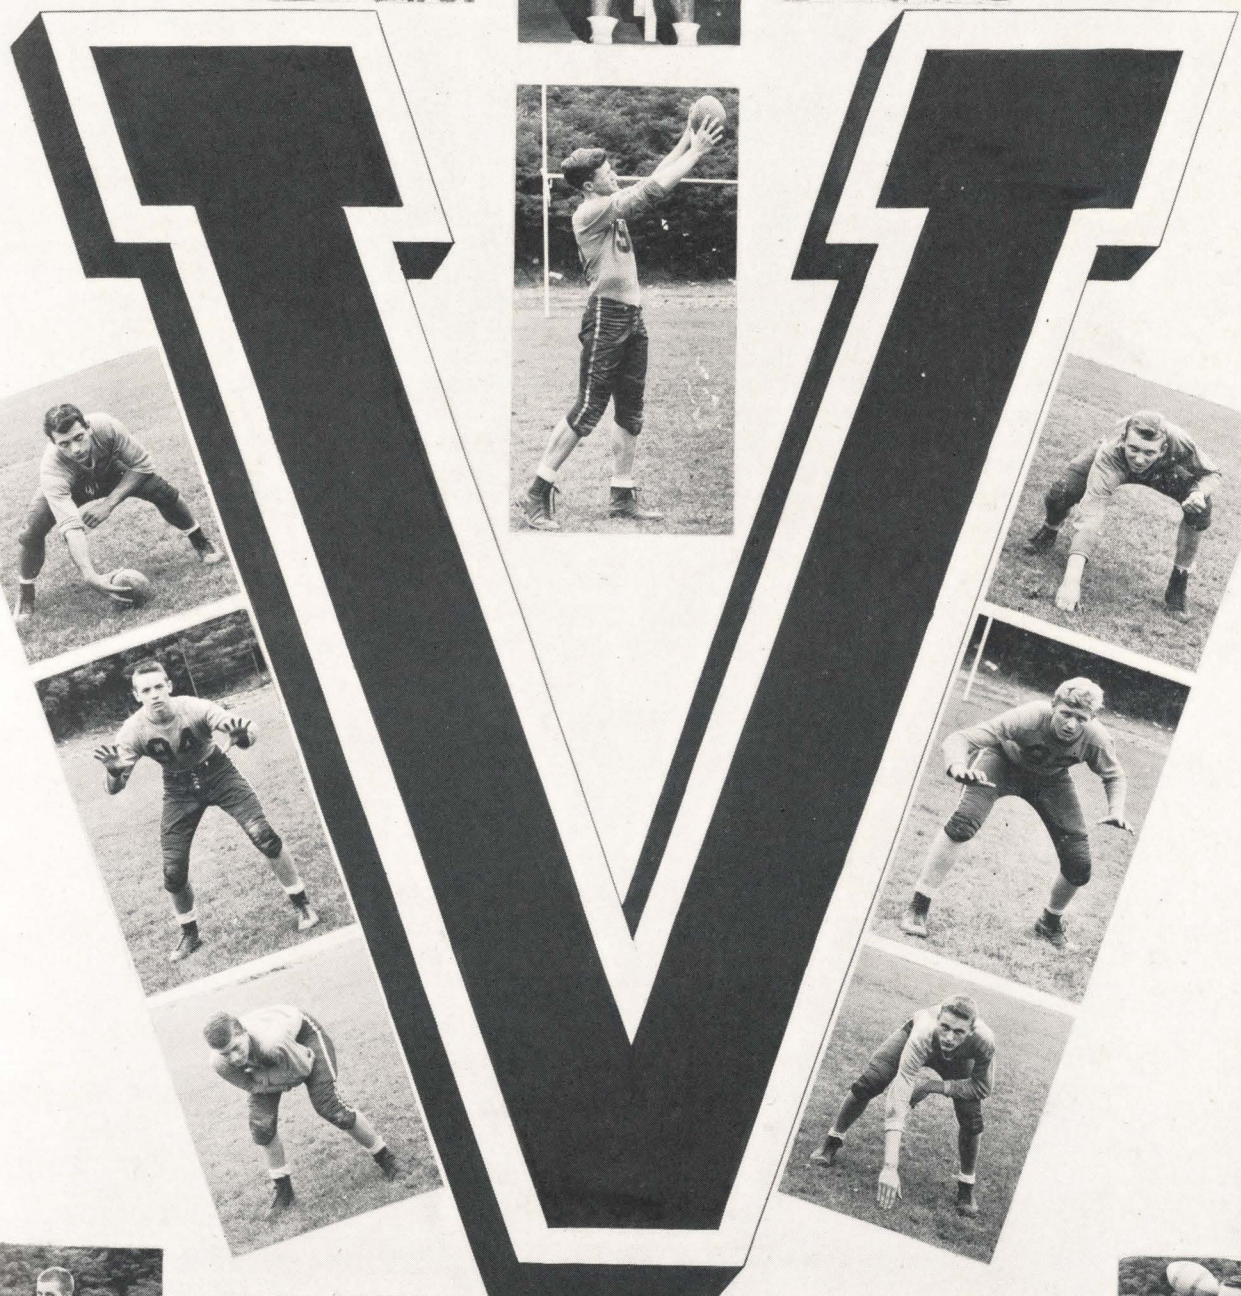

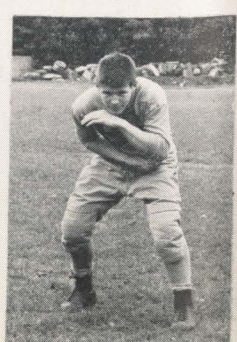

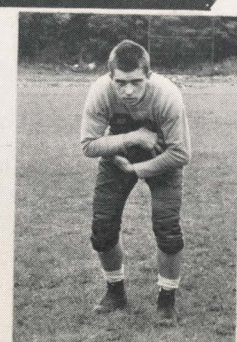

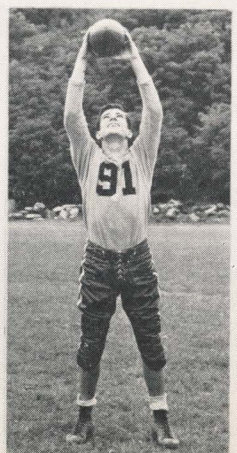

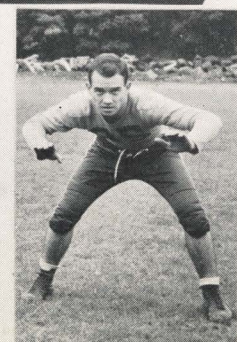

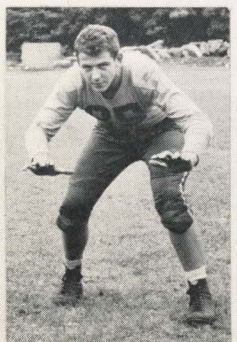

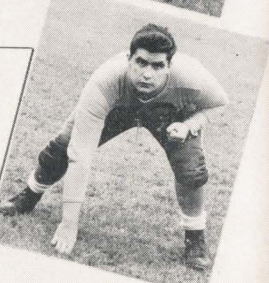

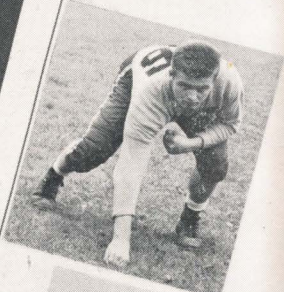

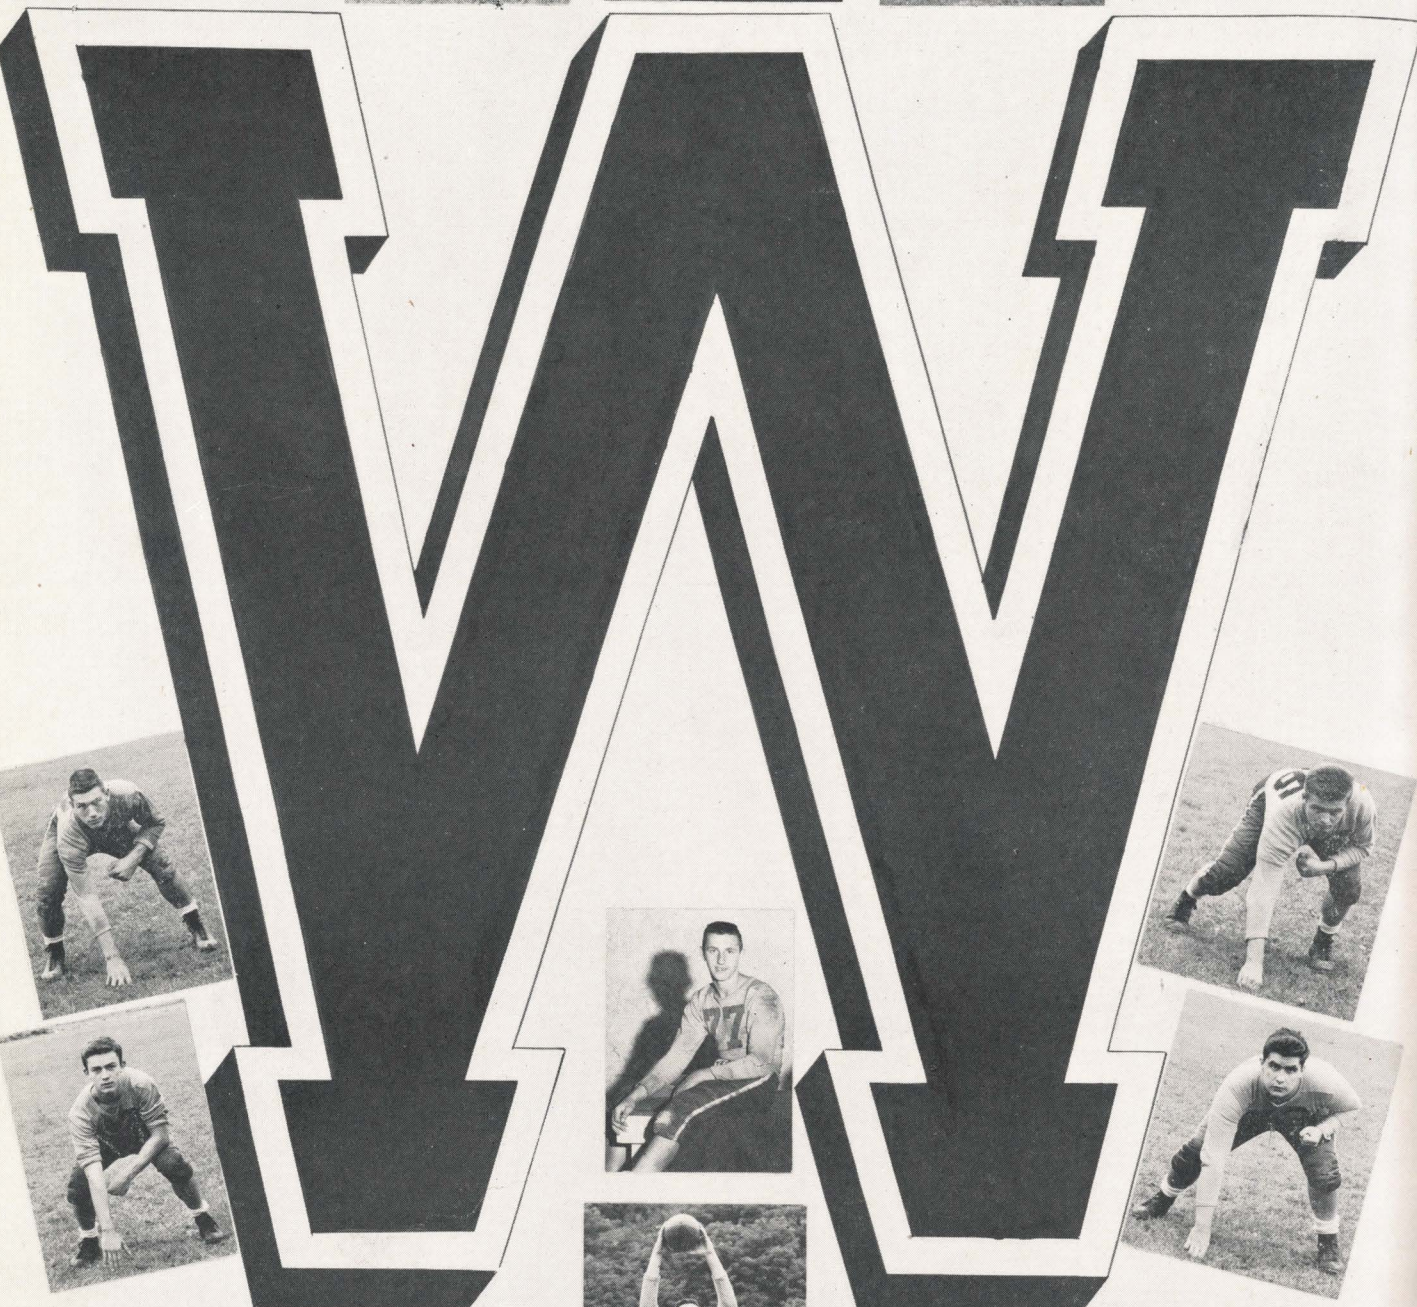

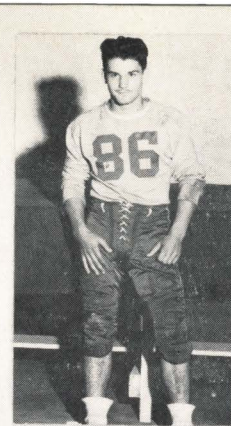

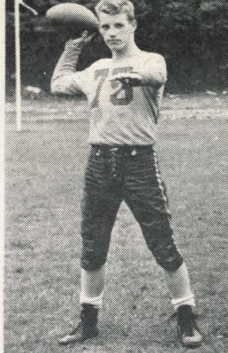

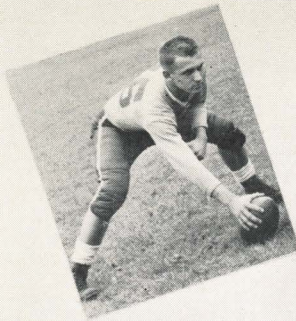

Not yet recovered from Bellevue's stunning defeat, the Indians dropped a hard fought game to the North Trojans. The final whistle found North holding a 7-2 lead.

The opportunity to get in the winning groove knocked as Shaler, last year's only conqueror, bowed under the lights to the Viewers 23-13.

Sewickley's highly touted Indians were host to the Braves, but the results were again the same as West View triumphed, 19-6.

Through a drizzly snow, the Viewers and the gridders from Hampton played their heart out in the season finale. Capitalizing on a high scoring second quarter, the Indians completed the season with a 32-19 victory.

This year's successful season can be credited to the fine sportsmanship and spirit which the whole team possessed. Only through the efforts of all concerned can such a wonderful record be put together.

BASKETBALL

our first championship team

The sports' season moved along in grand style as basketball moved into the spotlight. For the first time in the history of the school, West View was section champion.

Our championship team was composed mostly of junior boys. Only five seniors appeared on the Varsity this season, but all of these fellows did a bang-up job on the floor.

Chuck McKain was the capable captain of the 1949-1950 edition of the court experts. Although Chuck didn't see regular action throughout the year, he was pulling for the team at all times. Don Kibler, a newcomer to the team, developed into one of its outstanding members. Don scored a total of 321 points during the season, along with his steady playing on defense.

Rebounding was adequately taken care of by tall, rangy Stan Fischer. Stan also was a high scorer with his consistent shooting under

the basket, and from the corner. Norbert Kaylor, another junior, also was an asset under the boards, and contributed greatly to the team's success.

Bill Dosey and Ed Feffer, two welcome newcomers to West View, played a big part in the winning of many games. Both were excellent playmakers and high point men.

Joe Gullo was really a nemesis to the opposition with his long shots. Bob Stoyer was the expert on shots from the left side of the floor. Tom Gregg and Al Mazur, the remaining two seniors, should be commended for their valuable and timely shooting in the clinches.

Carl Barnhart, Lyle Bergman, and Jeff Leake, although not regulars, received experience for next year.

The Indians got off to a slow start as they received successive setbacks from the "old timers" of the faculty, and North Catholic. The

team's first victory was over the Oliver Bears. Before the closing of the year, the Braves defeated Hampton twice and then Bellevue in a 63-58 thriller.

League competition started with the New Year. The Viewers started off with a bang by setting down Freeport, Coraopolis, Tarentum, Shaler, and Leechburg in order.

In between league halves, the Indians took on Avalon and Mt. Lebanon in exhibition games. West View, however, fared much better in league competition, for it suffered two successive defeats. Avalon was a 58-40 victor, while Mt. Lebanon was successful in a 55-47 contest.

Freeport again fell before the Viewers, but Tarentum and Shaler quintets pulled a surprise in the next two games. Tarentum was a surprise 52-49 winner, while Shaler returned home with a 42-40 victory. Leechburg, last year's section champs, again bowed in the 49-42 session finale.

Their colorful climax to a glorious season was the winning of the sectional championship. It was the first time that West View players have brought this honor to the school. The play-off with Washington was really a terrific game and the attendance of the student body at Pitt Stadium was gratifying to the players. The tension mounted and mounted as the fans shouted and yelled till they could make no other sound. As the fellows and girls left the stadium (in spite of many sore throats and a three point defeat), they were the proudest group of "kids" to ever back a team.

The starting line-up for this play-off was made up of seniors only: Chuck McKain, Captain, Ed Feffer, Tom Gregg, Al Mazur, and Don Kibler.

At the end of the first quarter, Washington High led 17-7, at the half 27-17, and in the third quarter Washington was still riding high at 41-32. In the final quarter West View made its last rally when Joe Gullo stole the ball and brought the score within one point of a tie. Stan Fischer who had been injured during the third quarter came back to add to the score and finished with 17 points. Bill Dosey though put out on fouls still garnered 12 points. The final score found Washington the winner 49-46. The stadium held the largest crowd ever to see a West View team play. Our boys were excited because of the strange floor and West View's first appearance in a W. P. I. A. L. play-off. Next year should bring a different story when West View repeats as a sectional winner and goes on to win the play-offs.

Congratulations are in order for this year's basketball team for their splendid work in capturing the section title. Also, for the second successive year, the squad as a whole topped the 1,000 point mark.

JUNIOR VARSITY BASKETBALL

a great season under a new coach

West View's Junior Varsity basketball team again maintained its winning ways this year. The fellows compiled a record of twelve wins in a season of twenty-one contests.

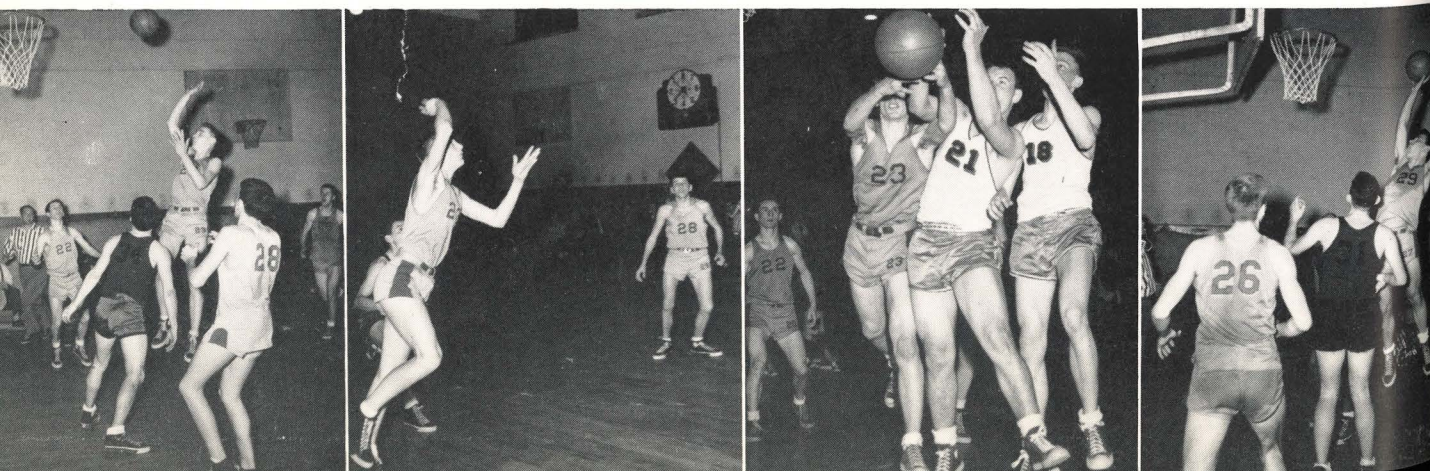

Wilson Dietrich, a junior, was the man under the hoop. Because of his high jumping, very few rebounds eluded his grasp. Frank Nardulli was the playmaker of the team. His consistent passing kept interceptions at a minimum. Jay Holliday earned a spot on the starting five because of his steady improvement through the year. Sam Garvin and Denton Daily worked out front with Nardulli. Both were very accurate on their set shots, and were responsible for

many of the team's victories with their timely shooting.

Other members of the eleven man squad were Roy Williams, Don Rethage, Don Shuker, Larry Stadtfeld, Chuck Haines, and Jim Stroup.

The J. V.'s played the preliminary games at the Varsity contests. The crowds that turned out for the games this year are ample proof of the growing interest in the team.

Under Mr. Hare's fine coaching, the fellows showed steady improvement. The J. V. has again accomplished its purpose by preparing future Varsity stars.

WRESTLING

prepare for television

In the early part of November the wrestling season again got under way. Candidates from the ninth through the twelfth grades met with Coach Ivor Smith at the Highland school gym. The mats were rolled out, and practice routine began. During the weeks that followed, the team daily went through their rigorous training which included running, calisthenics, and jumping rope to improve timing. Through all kinds of weather, the fellows ran faithfully both to build up their wind and regulate their weight.

Mr. Smith was on hand at all times to supervise practice sessions. His advice on various holds was invaluable to the many new boys who reported this year. The coach was aided by his hold-overs from last year's squad.

The privilege of actually wrestling in the matches was decided by the process of elimination in tryouts. The winners of the tryouts were the combatants in the matches.

With the completion of their preparation, the Viewers began their league meetings. The season got under way with the fellows getting into the swing of things as they played host to the West Allegheny grapplers. The Allegheny men fought valiantly, but West View came out far on top by a lopsided score of 44-16. Following two defeats at the hands of Dormont and Shadyside, the mat men again met West Allegheny. The Braves walked away with the match as they held the lead all the way. The final score was 42-14. McKeesport was the victim of West View's only tie. The two teams

finally settled for a 22-22 deadlock. The Viewers played the role of loser in the remaining contests.

After the regular season was completed, four members of the team were entered in the W. P. I. A. L. tournament at Waynesburg. The purpose of the tournament is to determine the best wrestler in each weight class. To be eligible, a boy must have been victorious in five or more of his regular matches. West View's four entries were Bob Campbell, our freshman 88 lb. wrestler, Al Vidt in the 103 lb. class, Big Buzz Miller at 145, and Clyde Rickard, our capable heavyweight, at 185 lbs. Though all were eliminated in the first round, their seasonal record should be recognized.

Injuries this year hit an all time low as only one major accident occurred. This was Jim Burke's case of cracked ribs.

Though the season was not a complete success according to the record book, it did a great deal to encourage good, clean sportsmanship among the team's members. With the returning of many underclassmen who participated in this sport, the student body looks forward to a winning combination next year.

GOLF

W.P.I.A.L. champs again

Seeking to repeat as W. P. I. A. L. golf champions, the West View golfers brought out their clubs and brushed up on their swing for the new season. Every afternoon the fellows could be seen making the rounds on Highland Country Club, regardless of weather.

This year's Indian squad was built around only two hold-overs from last year's team. Dick McCarthy and Don Fisher were the two veterans. Dick qualified for individual honors because of his great work in winning the W. P. I. A. L. individual championship. He also ranked high in state competition. Don Fisher was sec-

ond man on the squad followed in order by Jack Scott, Hub Garver, and Wilfred Black. Blackie was a recruit from Hamilton, and replaced his brother on the winning five. Bill Thomas was the valuable sixth man and put forth his best effort whenever called upon.

League competition found the Viewers going through their regular schedule without a defeat, and then through the playoffs to the finals. West View's first match was on the home course with Ambridge. The Braves came out on the long end of a 10 1/2 - 4 1/2 score, and now, with some experience under their belts,

Kneeling—Eddie McCreary, Ronald Knaus, Elwin Unger, Sam Ciocca, Lawrence Graham.

prepared to meet any comers. Avonworth, Sewickley, and Moon Twp. fell before the mighty quintet in two matches each. This completed the regular section games, and playoffs now were prominent on the agenda. Baldwin was West View's semi-final opponent, but lost in an 8 1/2 - 6 1/2 heated match as Dick McCarthy again came through.

In the finals West View met Penn at the Butler Country Club. The match was close all the way, but Penn finally triumphed, 8 1/2 - 6 1/2.

Another championship calibre team deserves the thanks and congratulations of the entire school on a job well done.

BASEBALL

captured the section title

The March winds blew and the rains came, but nothing could hold the men of the diamond back.

Practice and effort paid off as the Indians walked off with their section title and an overall record of eight wins and only three losses.

With the arrival of spring, Mr. Hartman sent out his call for players. Warm-up sessions were held daily on the hill at Laurel Gardens.

Mound duties fell on the shoulders of Bob Anderson, Ray Heintz, and Ed Feffer. Bob and Ray were veterans, but Ed was a newcomer to West View. The speed and stuff that these boys displayed were plenty to set down the opposition in quick order.

On the receiving end of the pitches was dependable Chuck Gressang. His strong arm held stolen bases to a minimum. Al Mazur held down the initial sack. The double play combi-

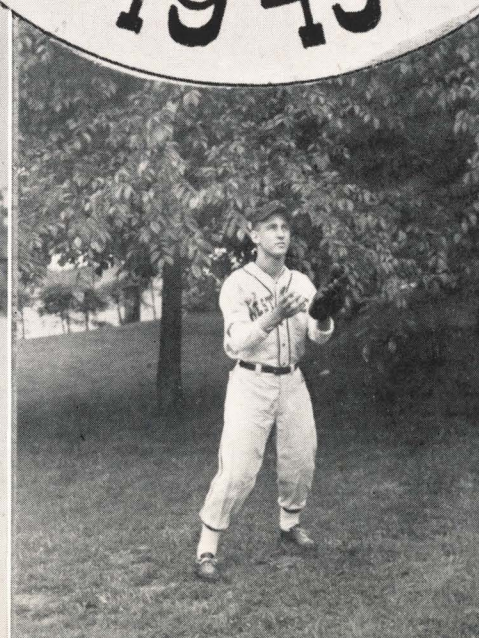

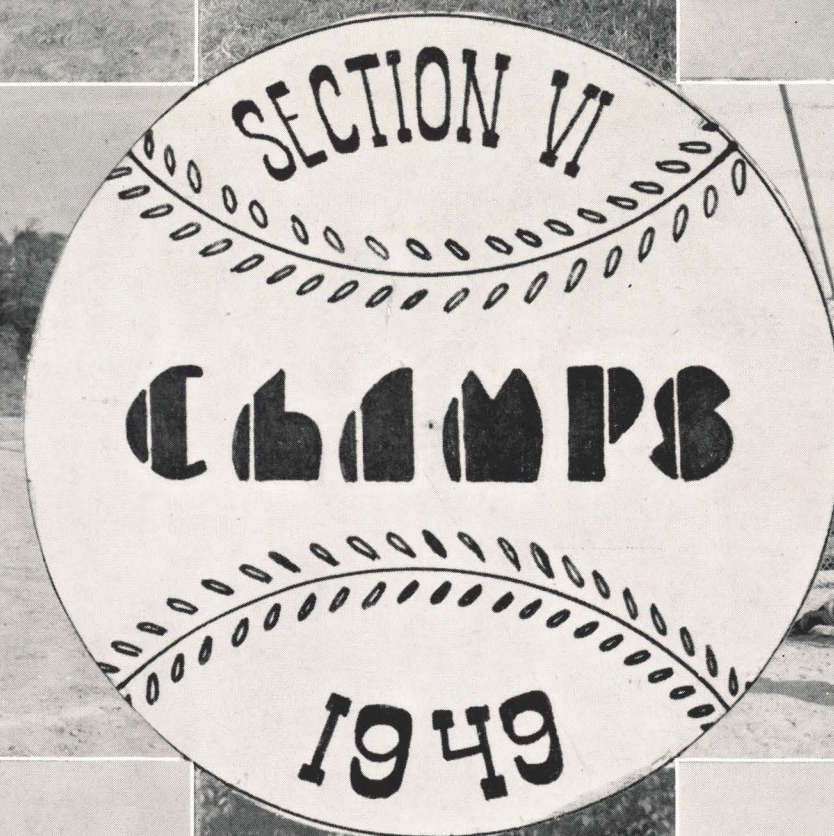

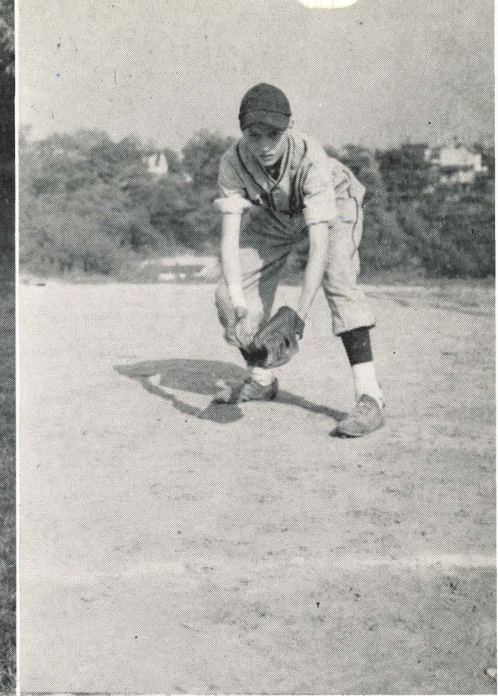

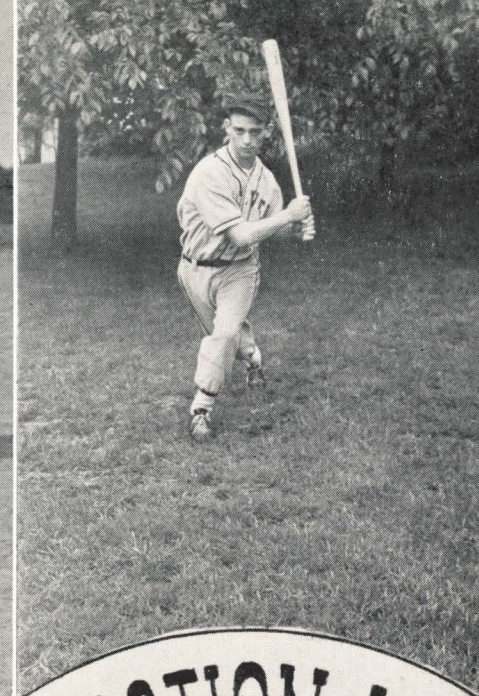

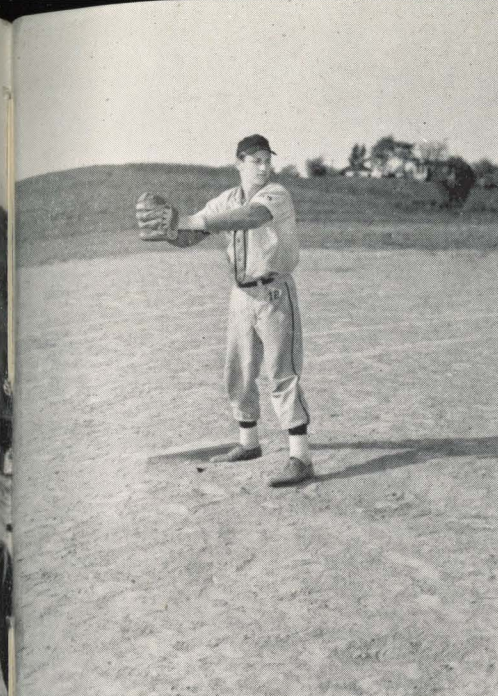

nation this year consisted of Bob Atkison at second base, and Bill Kuss at shortstop. The infield was rounded out with Don Beisecker or Al Lunz alternating at third.

Dave Roy, Ron Schomburger, and Ed Fullerton made up our hard hitting outfield. When any of these boys sent the sphere flying, it traveled the distance. Their consistent hitting, along with their practically flawless defensive work, was the difference between winning and losing.

The squad's two regular season defeats were recorded by Shaler and Neville, two former victims of the Indians.

In the W. P. I. A. L. playoffs West View was eliminated in the first round by Robinson Township in a 9-7 contest.

The baseball teams should be commended for their fine work in the 1949 season, and all wish them the best of luck in future years.

JUNIOR VARSITY FOOTBALL

future stars of the gridiron

The Varsity football squad didn't completely monopolize the sports world this year. The J. V.'s put in their bid for school recognition as they completed a very successful season. Coached by Mr. Hare and Mr. Harper, the team finished the year with the three won, two lost record.

J. V. players went through the same rugged training and drilling as the Varsity. Every afternoon the fellows walked to the practice field and worked out with the Viewer's senior team.

Allegheny was the team's first opponent. Although the boys put up a game fight, the city team came through with a 19-0 victory.

West View again traveled away, this time to Oliver to meet the Bear's third string varsity. Frank Nardulli broke into the scoring

column twice in the contest. Don Short and Kirk Mitchell each tallied, and the Indians returned home with a 25-7 victory.

The following week the Braves faced the North Catholic eleven. Captain Don Short was the lone West View scorer as the Trojans won the game, 14-6.

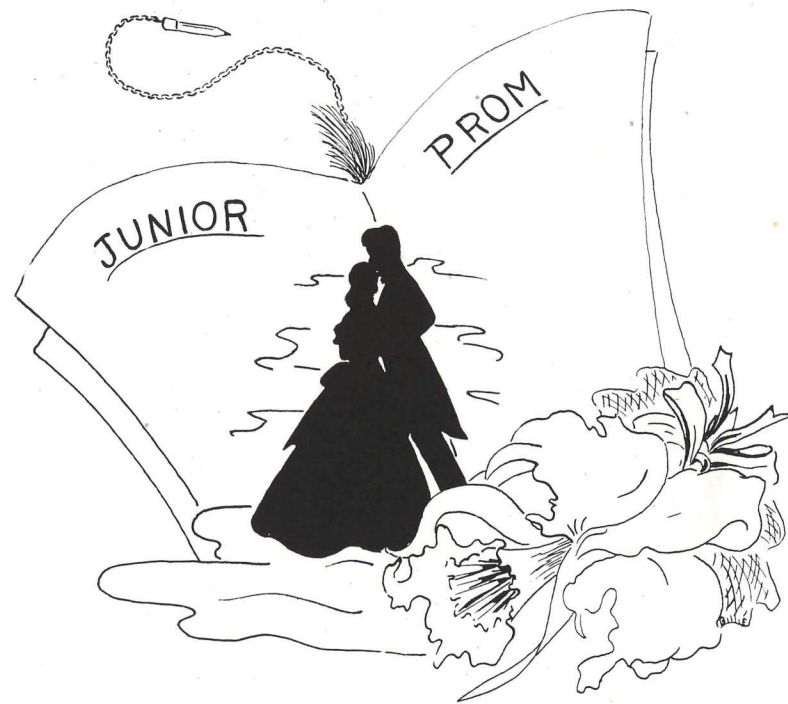

The Viewers played host to Shaler J. V. in an afternoon tilt. Denton Daily scored a six pointer, followed by two of Nardulli's, the latter on a pass from Royston. The final score was 18-6.

Shadyside was the gridiron opponent as the season drew to a close. West View romped away with a 19-13 victory.

This year the future Varsity not only gathered a great deal of experience but put together a very commendable seasonal record.

MAY DAY

May second finally arrived. A tense crowd flocked into West View High School flower-bedecked auditorium to view its eleventh annual May Day. The Court Dancers and their escorts passed in splendor through the auditorium and onto the stage. Then followed the Queen's four attendants—Mimi Archer, Doris Ford, Rose Marie Keyser and Arlene Schiller—who took their places upon the Royal Platform. The moment for which everyone had been waiting was drawing near. As the doors slowly opened Charlene Ehrenfried and Carol Hefren, the Maid-of-Honor and Lady-in-Waiting, appeared in the doorway. All eyes were upon them as they came down the aisle and took their places on either side of the Queen's Throne. The time had come at last. The doors opened and out stepped Lucille Seethaler, our Queen of the May, who ascended her throne where she was crowned by Joan Walton, the retiring Queen.

After the gala entertainment for the Queen was over, we drifted from the auditorium very satisfied with the Queen of our choice.

We, the class of 1950, bow to our Queen.

The 1880's—Grover Cleveland was president, women wore bustles, and "Life With Father" could be trying at times. At 420 Madison Avenue, New York City, stood the house where Father, a stubborn, hot-tempered red head, was the indisputable head of the family. Preventing, or at least smoothing over the latest crises in the Day household was Mother's job. With four red-headed sons, assorted relatives, maids, and visiting clergymen, this was not always an easy job for a sweet, slightly giddy person like Vinnie. A major crisis arises when she discovers Father doesn't remember if he was baptized and furthermore refuses to be baptized again. "If Father isn't baptized," reasons Mother, "perhaps we are not even married!"

Cousins from the country complicate things a bit, and breaking in a new maid is nerve-racking too, but Mother comes through with flying colors.

We were honored to have Miss Delp direct the play and make it a success.

The house lights dimmed, the last strains of the orchestra died away, and the class of '50 proudly presented "Seventeenth Summer," on March 29 and 31. It was a zestful three-act play and displayed the talents of the senior class before a capacity crowd which filled the audi-

torium. The senior class was honored to have Mr. Craig aid them in producing their play.

The play takes place in the Morrow home in a Mid-Western town. Angie is a charming, sensitive girl of seventeen, just on the threshold of growing up. Mrs. Morrow, Angie's mother, is a woman in her late forties with a genuinely sweet, agreeable manner. Mr. Morrow is a good-looking man in his late forties, and although he grumbles a good deal, underneath he is kindly and lovable. Angie also has three sisters—Margaret, an attractive, poised girl of about twenty-one, is sincere and natural; Lorraine, a pretty girl of about nineteen, who lacks sincerity and an air of happiness; and Kitty, an impish girl of ten, who is fun-loving and likeable. Jack, Angie's boy friend, is a tall, good-looking boy of about eighteen.

As the curtain fell on the final scene, the seniors realized that their last high school play had been a huge success.

Our PROM

There is a superstition that Friday the thirteenth is an unlucky day. So we decided to be very clever and outsmart the witches by holding our Junior Prom on Friday the thirteenth of May. We were able to secure the Crystal Ballroom of the Schenley Hotel and Lee Kelton agreed to supply us with the best in music. Everything was perfect. Then we discovered the "Pirates" had scheduled a home game with the "Cardinals" for the same night. With the Schenley and Forbes Field about a block apart, we had quite a parking problem on our hands. We were beginning to believe in superstitions ourselves. Then the gods turned against us too. The days preceeding the prom were filled with a continual downpour of rain and the girls had visions of wading for blocks in their beautiful, drenched evening gowns. But it seems luck was with us, for Friday the thirteenth dawned bright and clear and we all looked forward to a perfect evening. It's hard to tell where the cars parked but fortunately everyone got to the prom.

It was a very romantic night with full moon and starry sky bewitching everything it touched. Dazzling couples alighted from their cars and anxiously entered the hotel. After greeting the reception committee, the couples glided into the elegant Crystal Ballroom to dance to the mellow music of Lee Kelton and his orchestra. After floating dreamily around the dance floor some couples wandered out to the airy veranda for a taste of that fresh summer air, while others headed for the refreshment bar and a moment's rest. But as one o'clock drew near, weary couples drifted from the Schenley, filled with visions of a perfect prom.

No one did more for West View than Dave Roy. Being elected president of Student Council didn't slow Dave down at all. He gave his all to several sports, chorus and various clubs.

A day never passed that Ann Lynn Becker wasn't busy doing something in an activity for West View. "Becky" was always seen as a leader in every school activity.

DID MOST FOR WEST VIEW

High scholastic ability, outstanding qualities in leadership, and admirable character were responsible for Barbara DeOtto's achieving the recognition of "the girl most likely to succeed" in the 1950 class.

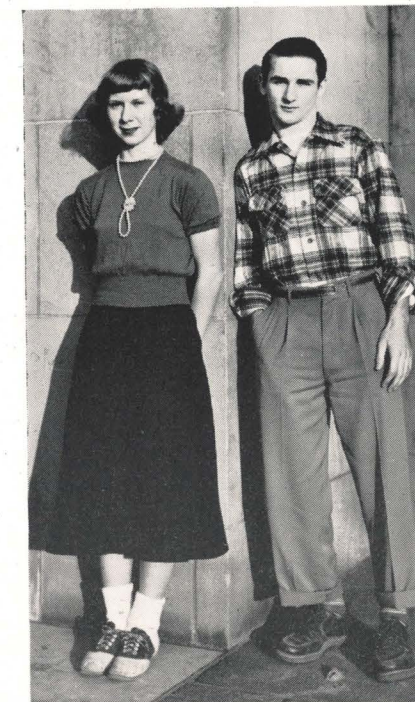

MOST LIKELY TO SUCCEED

"Goose's" varsity sweater, interest in school activities, and the time he devoted to West View distinguished him as the "most typical" boy. Charles Gressang's name was the one heading the voter's list.

MOST TYPICAL

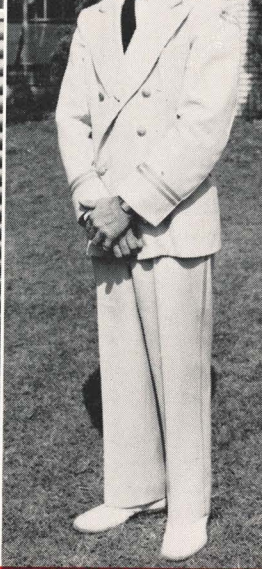

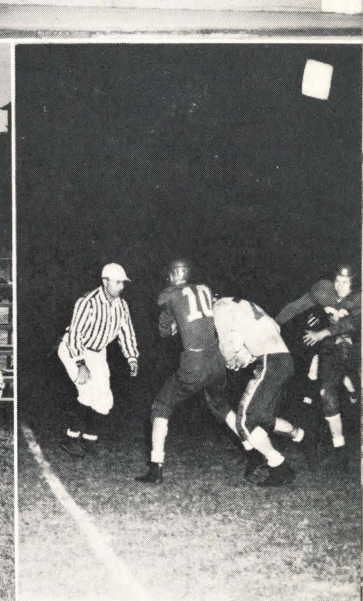

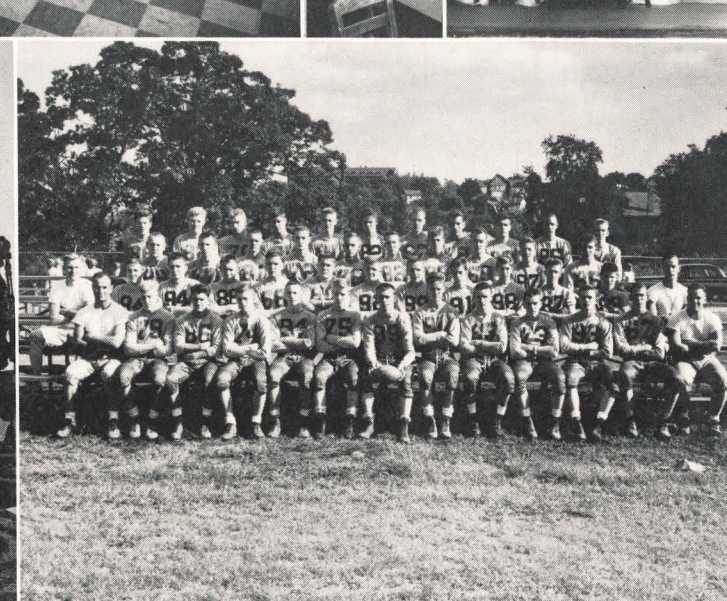

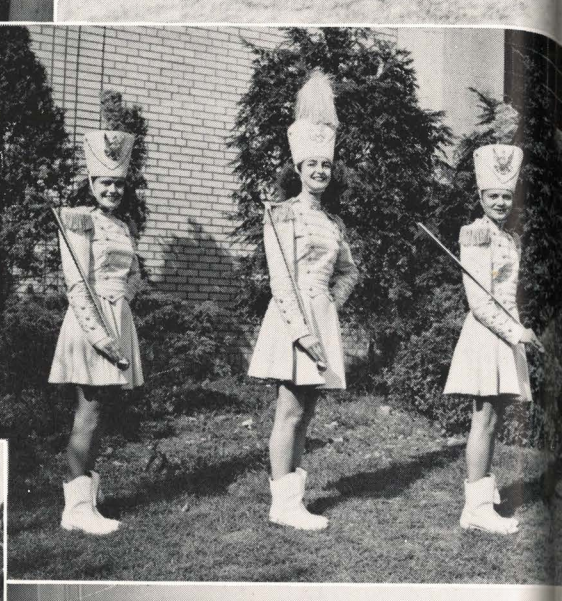

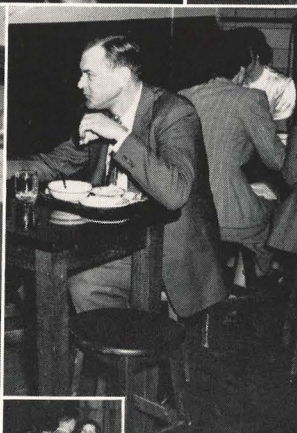

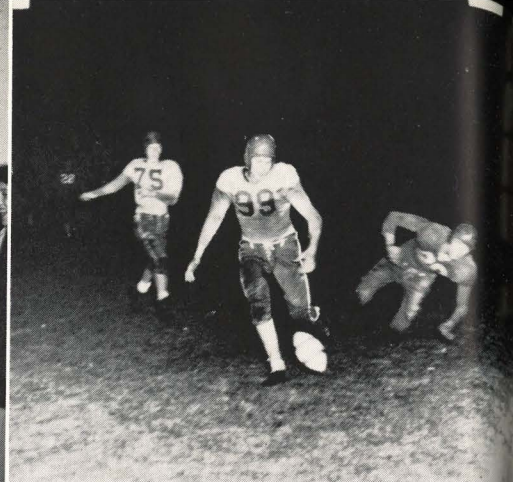

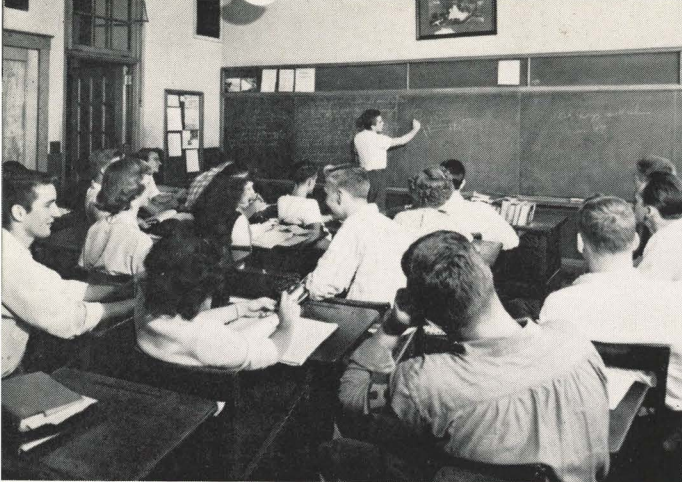

The most typical girl in West View? Charlene Ehrenfried, of course. "Chars" was always seen typically dressed rushing to a club meeting, cheerleading practice, or to one of her Student Council committee meetings.

MOST ATHLETIC

There was no indecision when time came to choose the most athletic girl either. Marjorie Grupp was a natural choice because of her well-known ability and interest in sports.

"Come on, Kibler," was a shout often heard at the basketball, baseball and football games. Don was chosen "most athletic" because he could always be depended upon to come through in a tight spot.

"Sloop" takes over
