"A Good Place to Live"

NEWSLETTER

Spring/Summer 2019

Message from the Chief of Police/Borough Manager Bruce Fromlak

Spring has arrived and summer will be here before we know it. Please review the information in this newsletter to keep up-to-date on important information concerning West View Borough residents. This is our second newsletter and we plan to produce two newsletters each year.

Some questions that I receive on a regular basis are "Can we prevent businesses from leaving the borough?" and "How can we entice businesses to move into the borough?" With a few high-profile businesses (like Kmart and Wendy's) closing earlier this year, some residents have expressed concerns. Unfortunately, we cannot prevent any business from closing. Regarding enticing businesses to come to West View, we are reviewing all available options. With that being said, I am happy to report that we are welcoming six new businesses to West View Borough this year! A list of these businesses can be found inside this newsletter.

We will also be starting our business streetscape improvement project this year along Perry Highway. Some of the items to be addressed are sidewalks, curbs, street lights, benches, garbage cans and trees. This project will be done in phases over the next few years and will be funded by grant money received from Allegheny County. We have also submitted grant applications to the state.

What would you like to see in future newsletters? Feel free to email any suggestions to me at fromlak@wvboro.com. You can also forward any other borough related questions, comments or concerns to me and I will address them accordingly.

Thank you for your time and attention and I wish you and your family a healthy, happy and safe summer!

POLICE BLOG

Dial 9-1-1 for all emergency AND non-emergency calls for Police, Fire and Ambulance. This is the most efficient and effective way to have your call answered in a timely manner.

When you call 911 during a time of crisis or emergency, please know that the call taker is forwarding the information to the appropriate emergency service agency as you are talking to them. This sends the needed services to you as fast as possible. If there is any doubt whether your concern merits a call, err on the side of caution and call 911.

If you need to reach a specific West View Borough police officer, email addresses and phone exchanges can be found on our website at www.wvboro.com.

Important reminder: If your vehicle is parked outside after dark, lock the doors and remove all valuables. If you see or hear any suspicious activity, call 911 immediately.

WASTE MANAGEMENT

Waste Management's At Your Door Special Collection service can safely collect many types of unwanted potentially hazardous and hard-to-recycle items from your home.

In 2013, Pennsylvania passed the Covered Device Recycling Act that prohibits the collection of electronic devices such as televisions, computers, laptops, monitors and tablets with regular garbage service. The intent was to keep this e-waste from ending up in landfills.

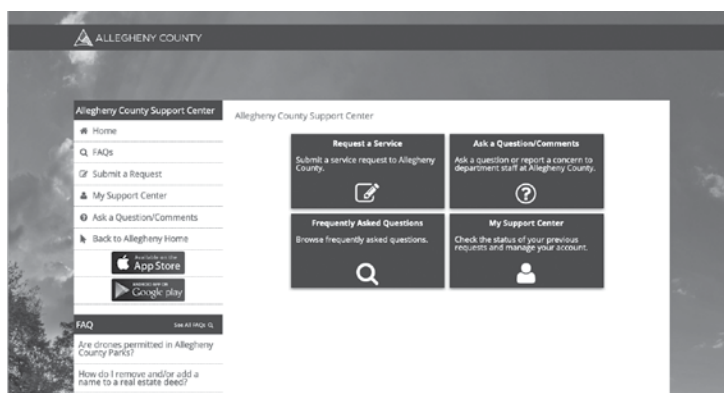

Please visit www.wmatyourdoor.com or call 1-800-449-7587 for more information on how the program works or to schedule a pickup.

ALLEGHENY COUNTY – SUPPORT

Earlier this year, Allegheny County announced a newly consolidated call center, online support center and free mobile app where residents can ask questions and request services.

Allegheny County residents and visitors can now use a single phone number 412-350-INFO (4636) to request snow and ice removal from county roads and bridges, ask questions related to parks programming and shelter reservations, plus a variety of other topics. Call center staff are available weekdays from 8:30 AM to 6:00 PM. Evening and weekend calls for parks and public works that require immediate attention are directed to on-call staff those departments. Other non-emergency calls will be responded to on the following business day.

Residents can also visit <https://CallCenter.AlleghenyCounty.us> to use the online support center. Users have an option of creating an account to manage their requests but can also submit anonymous service requests. The Allegheny County app is a mobile version of the support center.

HEAT PET SAFETY

Shade and water: Protect your pets from the sun's rays and keep them hydrated.

No cars: Never leave a pet in the car, not even with the window cracked.

No asphalt: If it's too hot for bare feet, it's too hot for bare paws.

Limit exercise: Don't let playful pets over exert themselves in the heat.

Heat stroke: Excessive panting, discolored gums, and mobility problems are signs. Seek veterinary attention immediately.
